Dear Mrs. Foss and School Board,

I write this letter to officially tender my resignation as a Special Education Para at Washington 4-5 Center at the end of this school year. Over the last 3 years I have enjoyed my position in the SLC classroom. While I was working in this position, I have also been going to school online to receive my Teaching Certification as well as my Master's in Elementary Education. I have received official notice that my application for student teaching has been accepted and will with administrator approval start student teaching at Washington 4-5 Center in the fall.

I am leaving very thankful for the opportunity to work with such a great staff at Washington, and am looking forward to future opportunities with the Huron School District.

Sincerely,
Nicholle D. Mudge
Special Education Para Educator
