World Classrooms understands that sometimes school administrators, boards or personnel may have questions surrounding off-campus student travel. **We want to assure you that your school's endorsement of a World Classrooms tour does not in any way place the school, its personnel, and/or the school district under any liability for the safety of the tour's participants:**

- The trip is not a school sponsored activity.
- Chaperones (teachers/school staff) and travelers will not be attending as representatives or employees of the school in any way.
- All travel takes place outside of school and usually outside of the school year itself.
- All travel is contracted and payments made directly between World Classrooms and parents/guardians. When a student is enrolled in a World Classrooms tour, the student's legal guardian signs a binding contract specifically releasing anyone associated with the school from any and all claims.

In addition, World Classrooms does carry general liability insurance coverage of $2 million (see attached copy of our Certificate of Liability Insurance) as well as accident and illness medical coverage for all tour participants while traveling.

I hope this answers any questions or concerns you may have had regarding student travel with World Classrooms. If I can be of any further assistance, please do not hesitate to contact me at 800.275.3980.

Sincerely,

Brett C. Newton
President
