

LAPTOP COMPUTER PROTECTION

The Huron School District recognizes that with the implementation of the laptop initiative there is a need to protect the investment by both the district and the student/parent. The following outlines the various areas of protection: warranty, accidental damage protection, and insurance.

GATEWAY WARRANTY:

This coverage is purchased by the Huron School District as part of the purchase price of the equipment. Gateway warrants the laptops from defects in materials and workmanship. This limited warranty covers normal use, mechanical breakdown, or faulty construction and will provide replacement parts necessary to repair the laptop or laptop replacement. The Gateway warranty does not warrant against damage caused by misuse, abuse, accidents, or computer viruses.

ACCIDENTAL DAMAGE PROTECTION:

The Huron School District has purchased through Gateway coverage to protect the laptops against accidental damage such as liquid spills, accidental drops, power surges, and natural disasters. This coverage does not provide for damage caused by fire, theft, loss, misuse, intentional or frequent damage, or cosmetic damage. Gateway will assess the laptop damage and repair or replace the machine at no cost if the damage is determined to be accidental, infrequent, and within the protection guidelines.

INSURANCE FOR THEFT, LOSS OR FIRE:

Laptops that are stolen, lost, or damaged by fire are not covered by the Gateway Warranty or the Accidental Damage Protection outlined above. The following are the three options that are available for these types of losses. The student/parent must commit to one by checking the appropriate box.

No Insurance

You agree to pay for the replacement of the laptop at a cost not to exceed \$1,300.00 should the laptop be stolen, lost, or damaged by fire.

Personal Insurance

You will cover the laptop under your own insurance policy; and, in the case of a theft, loss, or damage by fire, you agree to pay the district the amount received from your insurance company plus any additional amount needed to cover the laptop replacement not to exceed \$1,300.00.

School District

You choose to pay the school district an annual protection.

Protection payment for coverage of theft, loss, or damage by fire in the amount of \$25.00 or \$50.00 for family coverage when there are two or more children in high school using laptop computers. The \$25.00 payment is non-refundable. This protection coverage has a \$200.00 additional charge per occurrence. This annual coverage begins upon receipt of the payment and ends at the conclusion of each school year.

ADDITIONAL INFORMATION:

In cases of theft, vandalism and other criminal acts, a police report, or in the case of fire, a fire report **MUST be filed by the student or parent** for the protection coverage to take place. A copy of the police/fire report must be provided to the principal's office. The \$200.00 additional charge is the responsibility of the student/parent and must be paid before the laptop can be repaired or replaced.

INTENTIONAL DAMAGE:

Students/Parents are responsible for full payment of intentional damages to laptops. Warranty, Accidental Damage Protection, or School District Laptop Protection **DOES NOT** cover intentional damage of the laptops.
