FERPA Notification

The Family Educational Rights and Privacy Act (FERPA) affords parents and students who are 18 years of age or older ("eligible students") certain rights with respect to the student's education records. These rights are:

1. The right to inspect and review the student's education records within 45 days after the day the school receives a request for access.

Parents or eligible students who wish to inspect their child's or their education records should submit to the school principal a written request that identifies the records they wish to inspect. The school official will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

2. The right to request the amendment of the student's education records that the parent or eligible student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA.

Parents or eligible students who wish to ask the school to amend their child's or their education record should write the school principal, clearly identify the part of the record they want changed, and specify why it should be changed. If the school decides not to amend the record as requested by the parent or eligible student, the school will notify the parent or eligible student of the decision and of their right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent or eligible student when notified of the right to a hearing.

3. The right to provide written consent before the school discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent.

One exception, which permits disclosure without consent, is disclosure to school officials with legitimate educational interests. The criteria for determining who constitutes a school official and what constitutes a legitimate educational interest must be set forth in the school's or school district's annual notification for FERPA rights. A school official typically includes a person employed by the school or school district as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel) or a person serving on the school board. A school official also may include a volunteer, contractor, or consultant who, while not employed by the school, performs an institutional service or function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, medical consultant, or therapist; a parent or student volunteering to serve on an official committee, such as a disciplinary or grievance committee; or a parent, student, or other

volunteer assisting another school official in performing his or her tasks. A school official typically has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

[Optional] Upon request, the school discloses education records without consent to officials of another school or school district in which a student seeks or intends to enroll, or is already enrolled if the disclosure is for purposes of the student's enrollment or transfer. [NOTE: FERPA requires a school or school district to make a reasonable attempt to notify the parent or student of the records request unless it states in its annual notification that it intends to forward records on request or the disclosure is initiated by the parent or eligible student.]

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by the school to comply with the requirements of FERPA. The name and address of the Office that administers FERPA are:

Family Policy Compliance Office
U.S. Department of Education
400 Maryland Avenue, SW
Washington, DC 20202

**Any questions in regard to 504 or the Americans with Disabilities Act should be directed to your child's building administrator.*

- A. to know what charges are against him/her.
- B. to have the opportunity to present his/her viewpoint before a final disciplinary decision is made.

A student facing serious disciplinary action such as long-term suspension, mandatory reassignment, or expulsion will receive from the school a copy of school policy that outlines a specific procedural process mandated by law to insure due process. If a decision for disciplinary action is made, the student has the opportunity to appeal that decision to a higher authority and must state his/her intent to do so.

Disciplinary action must then await the outcome of the appeal. For a copy of the appeal's process, please contact the school office.

Title I

Title I Schoolwide Schools: Huron School District K – 8

Every Student Succeeds Act (ESSA), Title I, Part A, provides financial assistance to state and local schools with 40 percent or greater low income.

Title I Parents Right to Know

The federal education law put in place by the Elementary & Secondary Education Act (ESEA) requires that all parents in a Title I school be notified and given the opportunity to request information about the

professional qualifications of classroom teachers and paraprofessionals instructing their child. You may also request information on the level of achievement and academic growth of the student, if applicable and available, on each of the State academic assessments. If you are interested in this information, you may send your request to the building principal who will provide a timely response.

Title I Notice Requirements

The Elementary and Secondary Education Act is our country's most important education law. On December 10, 2015, the Every Student Succeeds Act (ESSA) became law. It was designed to make changes in teaching and learning that will help your child succeed in school.

Because the Huron School District receives federal funds, we are required by law to provide you with the following information.

- ❖ Notification of your right to ask schools about the qualifications of your child's teachers. (Found in the handbook)

- o We believe that nothing is more important to your child's education at school than

- having a well-prepared and highly qualified teacher. As a parent/guardian you have the right to request information about the professional qualifications of your child's classroom teachers.

- ❖ School/Parent Compact (Found in the handbook) o Positive school/parent relationships are a critical component of your child's education.

It is essential that the school and parent/guardian work together to reach high academic standards for your child. The school/parent compact is a written agreement between teachers and parents. It clarifies what families and the school can do to help children reach high academic standards.

- ❖ District and School Parent Involvement Policy (Found on the district Website) o This policy details your rights to participate in an annual meeting and the decision-

- making process for creating a school-wide Title program. It also details the

- commitment to a shared responsibility for academic achievement.

- ❖ Complaint Policy for Federal Programs (Found on the district Website) o This policy notifies you of your right to address a complaint in writing to the

- superintendent, should you have a complaint, regarding the use of federal No Child Left Behind (NCLB) funds that cannot be resolved.

We encourage you to support your child's education and communicate with his or her teacher on a regular basis. You may direct questions about the Title program in your building to your child's teacher, the building administrator, or the Director of Federal Programs. You may also find information about

your school's Title I policy on the district website under the FEDERAL PROGRAMS tab. By partnering together-families and educators – we can provide your child with the best education possible.

Attendance

Buchanan School Hours for the K/1 Center 8:15-3:10

ABSENCE

Regular attendance is essential in order to benefit from an educational program. Making up homework does not adequately compensate for what has been missed during the class presentations.

When your child will be absent, please contact the school as early as possible. If your child is staying with someone else during your absence from the city, please inform the school.

A child may be excused at 11:30 or after 2:30 for piano lessons if the teacher and principal agree that the child can afford to be away from school at these times.

When it is necessary to pick up your child from school before regular dismissal time, please contact the school as soon as possible.

When your child has been absent because of a contagious disease (measles, mumps, chicken pox; not flu or cold), he/she must have written permission to return to school. You may obtain permission from the school nurse by making an appointment at the Buchanan K/1 Center. You may also get written permission from your doctor or the county health nurse if that is more convenient for you.

Your child will be sent home if they have a fever of greater than 100.0 degrees, and may return to school after 24 hours without a fever. The fever should be less than 100.0 degrees without the use of fever reducing medication for 24 hours.

Please send a note to your child's teacher when he/she is to leave for an appointment.

ARRIVAL & HOURS

School doors do not open until 7:30 AM. No students are allowed to arrive prior to 7:30 AM. Breakfast starts serving at 7:45 AM. **All students go outside at 8:00 AM.** Parents are asked to drop off their students at the front door at arrival time.

All children are urged to return home or to their after school supervisor immediately after school. This is essential so that parents or after school providers will know where their children will be playing. Parents are asked to encourage their children to do this each day.

School Compact

We feel it is very important to have the school and home working together to ensure your child receives the best education possible. In order to promote that idea, each year we have our students, parents, and staff members sign the following School Compact:

As a Student, I Will:

- *believe that I can learn and will learn.**
- *always do my best in my work and behavior.**
- *show respect for myself, my school, and other people.**
- *come to school prepared with my homework and supplies.**

A Parent/Guardian I Will:

- *see that my child attends school on time.**
- *provide a home environment that encourages my child to read and learn.**
- *communicate regularly with my child's teacher.**
- *show respect and support for my child, the teacher and the school.**

As a Teacher I Will:

- *believe that each student can learn.**
- *show respect for each child and his/her family.**
- *provide an environment conducive to learning.**
- *seek ways to involve parents in the school program.**
- *demonstrate professional behavior and a positive attitude.**

As a Principal I Will:

- *provide an environment that allows for positive communication between the students, parents, and teachers.**

Helping Your Child

- Children are eager learners and there is a lot that can be done at home to stimulate their growth and development. Many learning activities should be planned within the family.
- Parents who read books usually have children who read books. Reading aloud to children is an excellent practice because it develops their interest in reading.
- Once your child has learned to read, listen to him/her when he/she brings a book home, and share your child's enthusiasm and interest.
- Enrich your child's reading through visits to the library.
- Encourage your child to take part in family conversations and take time to answer questions about why things happen.
- Show an interest in your child's reports of his/her experiences.
- Show your child that writing serves many purposes. After your child has learned how to write, give him/her opportunities for writing notices, letters and nametags.
- Make your child aware of how you use math in daily living.
- Enrich your child's life with family trips and excursions, encouraging him/her to be curious by calling attention to the world around him/her.
- Impress upon your child the need for sufficient sleep, well-balanced meals and adequate exercise.
- Teach your child proper hygiene habits, and make him/her feel responsible for his/her personal care and cleanliness.
- Teach your child to obey policemen/women and traffic signs and warn him/her never to talk or ride with strangers.

- Urge your child to play with children of his/her age and participate in a variety of play activities.
- Try to provide proper paper, crayons, scissors, paste and other materials for your child to use in doing creative art work at home. Show interest in the creative work your child does and praise him/her for all efforts.

Parent & Community Involvement

Citizens from the community are encouraged and invited into the school to provide additional learning experiences in the curriculum. Individuals interested in volunteering their services or expertise to the school are encouraged to contact the school office. Volunteers are needed to assist teachers as room parents.

As part of their class work, pupils are also taken on trips to places of interest in the community. These trips are valuable because they offer concrete learning experiences and opportunities for training in courtesy, citizenship, and safety.

Parents are encouraged to become involved with their local school community by becoming active members in their school's parent-teacher organization. You will be receiving information from your school regarding school organizations.

Assessment

Various state and local assessments are used throughout the school year to determine your child's level of achievement as well as their progress. These assessments include but are not limited to the following:

- MAP/NWEA - Measure of Academic Progress (grades K-2) - fall, winter, spring
- Access
- WIDA Model

The results of these assessments may be shared with you during parent teacher conferences. You are invited to discuss these results with your teacher or principal at any time.

Conferences

Parent-teacher conferences provide an opportunity for a discussion of your child's work. Conferences are held twice a year. A unified effort of home and school is important for the child's happiness and success. Parents are invited to consult with the teacher or principal at any time.

Keeping Students After School

Children are sometimes kept after school to finish work or for disciplinary reasons. Some children may stay a few minutes after school to help with room duties. Children are given permission to call home to explain their reasons for staying after school, should the time exceed 15 minutes. All other children should be out of the building by 3:15.

Physical Education

Physical education class is enhanced when students wear appropriate clothing. Appropriate clothing includes tennis shoes with proper laces or Velcro fasteners. (No jelly shoes, aqua shoes, slip on tennis shoes or aerobic shoes.) It is particularly important that girls wear slacks or jeans on the days they have physical education.

A student will need a note from home if the parent does not want him/her to participate on a given day due to illness. If the student is not to take part in PE class for an extended period (one week), a statement from a doctor will be needed.

Nursing Services

There is a school nursing facility in the office for students who are injured or become sick during the school day. Students who are ill or injured should report to the school office. Students who have a temperature of 100.0 or higher are asked to go home. They may return to school after being fever free for 24 hours without the use of Tylenol or Ibuprofen. Other school exclusions are listed on the district website. The school nurse is not always in the building.

Immunization Records

South Dakota Codified Law (SDCL 13-28-7.1) requires any pupil entering school shall, prior to admission, be **required** to present to school authorities certification from a licensed physician that he or she has received a test, or are in the process of receiving, adequate immunization for childhood diseases.

This law applies to all children entering a South Dakota school system for the first time. At a **minimum**, these requirements are:

Medication at School

No medication, prescription or non-prescription, will be administered to a child at school without meeting the following requirements:

1. **All medication must be brought to school in the original labeled container.**
2. **Medication must be age appropriate and FDA approved; no vitamins/herbal treatments given at school.**
3. **Completed authorization and release for medications form must be on file, including the parent/guardian signature for non-prescription medications, and both the parent/guardian and prescribing healthcare provider signatures for all prescription medications.**

Medication concerns or questions shall be directed to the school nurse.

Staying Inside During Recess

Children may not remain in the building during recess time except at the request of parent, teacher, or the principal. If it is necessary for health reasons for a child to remain in the building during recess, a note from the parent must be written to the teacher. In the event of a long-term request, usually after the third day, a signed statement from the child's doctor may be required by the school's principal.

Policies & Procedures

Attire

Temperatures vary greatly in the early fall and late spring. We would offer the following suggestions:

Temperature	School/Playground Attire
Below 60	Coats or jackets
60 or above	Please use discretion

Bike

Bike locks *are recommended* and all bikes need to be stored at the bike rack.

Book Bags

Students are *encouraged to utilize book bags* for the protection of schoolbooks, notices, etc

Care of School Property

Please help your child develop a sense of responsibility for school property. Instilling in student's respect for all public facilities promotes good citizenship.

Parents will be held financially responsible for damages to school property incurred by their child. Students will be assessed a fine for lost or damaged books.

Change of Address

Please notify the school of any change of address or telephone number. If you plan to move out of town or transfer from one school area to another, please notify the school office in time to prepare the necessary withdrawal or transfer information.

Crossing Streets

Please instill in your child the correct procedure for crossing streets. Students should cross at *intersections only*. With many parents picking up students at dismissal time, the area around the school can be hazardous. ***Parents are asked to help students cross streets at the corners.*** At the end of day, **ALL** students must leave the school grounds, then they may return to play.

Electronic Devices

Electronic devices such iPad, iPod, MP3 players, headphones, cellular phones, pager type devices, and cameras are not to be used or carried while school is in session, unless specifically approved by their teacher. If students are observed to be using or are in possession of one of these devices while school is in session, without permission, the item will be confiscated and may be picked up in the principal's office at the end of the day. If the item continues to be a disruption, it may be confiscated and *only* returned to a parent/guardian. ***Students choosing to bring these electronic devices, do so at their own risk.*** The school is not responsible for lost or stolen electronic devices. ***Laser lights and other nuisance items are not permitted in the building at any time.***

Emergency Procedures

Provisions are made for emergency locations in each school area. These locations will be used for the children in the event of any evacuation necessary, as in the case of fire or other emergency during school hours. Your principal will inform you of the emergency locations. Lockdown procedures are reviewed yearly and plans are on file at each building.

Contact your building principal or your child's teacher if you wish further information about these programs and/or services.

Gym Use

Sponsoring adults may utilize the school gym for boys or girls scouting. Arrangements can be made through the school office. A certificate of liability is needed or a school employee needs to attend all practices. An agreement needs to be signed by all responsible parties.

Leaving School Grounds

Children are ***not permitted*** to leave the school or playground before the regular dismissal time unless permission has been given by the principal or their designee. If students leave the school

grounds without permission, the school resource officer may be called. Bus students are to remain on the school grounds until bus pickup time. For safety reasons, if a child is to eat lunch at a place other than at home or school, *verbal/written* notice from the parent to the principal should be given *before* lunch

Lost & Found

An area for lost and found articles is kept at school. Please look in this area when you visit school, as many children do not easily recognize their own clothing. Please mark boots and coats when possible. Articles not claimed after a period of time are given to charitable organizations.

Messages

When coming to school to pick up your child, give a message, or deliver school items *please stop at the office*. This will eliminate the unnecessary disruption of classes.

Money

Students are *discouraged* from bringing money to school other than for school related purposes.

Party Invitations

Invitations to private parties, May baskets, Valentines, etc., should be sent to school for distribution only when *all children* in the classroom are included.

Play Equipment / Toys

Personal playground equipment brought to school from home is *not allowed*. The district is not responsible for lost or stolen personal property brought to school.

Students should refrain from bringing video games and toys to school. They can often be misplaced and lost. The school is not responsible for lost or stolen toys or video games that are brought to school.

Room Parties

A short period of time is set aside for room parties on Halloween, the last day of school prior to Christmas vacation, and on Valentine's Day. If parents wish to send a treat on those days or for a child's birthday, arrangements should be made with the teacher.

Safety Rules

Safety precautions and rules are discussed in each classroom. Please discuss safety rules with your child, including walking to and from school and riding bicycles.

If you bring your child to school by car or pick him/her up at dismissal time, it is advisable to stop your car in a place that does not require your child to cross the street in front of moving traffic. Each school may have a designated area.

School Pictures

School pictures are taken during the early part of the school year. A letter of explanation will be sent home prior to pictures being taken. The purchase of the pictures is voluntary.

Telephone Usage at School

Children must have permission from their teacher or principal to use the school telephone. Each classroom has a telephone.

The telephone call must concern illness or school business. Asking permission to play at a friend's house after school is **not** considered business. Special transportation after school should be arranged before the child leaves for school in the morning. (A note or phone call from home is important to communicate the special transportation arrangement.)

Video Policy

In accordance with federal copyright law, the Huron School District 2-2 has adopted a video policy, which prevents classrooms from showing home videos without classroom instructional purposes. *If you have questions, concerning this policy please call your principal or the curriculum office at 353-6992.*

Visiting School

Parents are invited and encouraged to visit school. A telephone call to the office or a note to the principal prior to a visitation is appreciated. However, it is **not advisable** to visit at these times:

- ◆ when the regular teacher is absent;
- ◆ when a student teacher is teaching the class;
- ◆ the day before or after a vacation period;

- ◆ on a special day, such as Halloween or party days;
- ◆ the first or last week of school.

Children visiting school must always be accompanied by an adult!

Weather Related Announcements

KIJV and KOKK will announce school closings during inclement weather. Parents are encouraged to check the “Closeline” on KELOLAND for school cancellations/delays. There is a link on our district webpage. AlertNow system will call all students with this information as well.

When school is in session but the weather is extremely cold or wet, children will be asked to come into the building before the regular time.

Weapons in the School

Schools should be an example of what is taught regarding the observance of and respect for law. Schools also must be highly conscious of the health, safety, and welfare of students, staff, and the public.

Board policy forbids the bringing of weapons (a weapon is defined as any firearm, knife, or device, instrument, material, or substance whether animate or inanimate, which is calculated or designed to threaten, do bodily harm, or inflict death) to school or school-sponsored activities. When weapons are taken from students, parents will be notified. Confiscation of weapons may be reported to the police. The intent of the actions of the students will be considered in any report to the police. Appropriate disciplinary and/or legal action shall be pursued by the building principal.

No firearms are permitted on any school premises, school vehicle, or any vehicle used for school purposes, in any school building, or other premises used for school functions. Exceptions would be weapons under the control of law enforcement personnel, starting guns while in use at athletic events, firearms or air guns at the fire ranges, gun shows, and supervised school training sessions for use of firearms.

ZPass

The ZPass is **required** for every student kindergarten through fifth grade that utilizes the school bus for transportation. The only exception to this is if the parent(s) has signed a Waiver of Liability and Hold Harmless Transportation Agreement.

It is **mandatory** for every student to scan their ZPass **every time that they get on and off of all buses**. Failure to comply with this rule will result in the following consequences:

1st conduct = warning

2nd conduct = 1 day suspended from the bus

3rd conduct = 2 days suspended from the bus

4th conduct = 3 days suspended from the bus

5th conduct = 4 days suspended from the bus

Etc.

Keeping track of the issued ZPass is the responsibility of the student. Any student needing a replacement ZPass should **immediately** notify their bus driver and the school office. The cost for a replacement ZPass is \$5.
