Dear Kathie,

I regret to inform you that I will not be returning for the 2018-2019 school year as a substitute driver effective August 2, 2018. I hereby give one month notice of my intention to leave the Huron school district.

I made this decision not because I was unhappy, but as a strategic career move with my other job. It’s been a great pleasure working with you and all the other drivers!!!!

Thank You!!

Dear Mr. Nebelsick and Huron School Board Members:

On behalf of the Huron Chamber & Visitors Bureau, I would like the request the use of the Huron Public Schools bus for city-wide transportation during the SD State Fair, August 30 – September 3rd, 2018. The bus will have a designated route from the fairgrounds to the mall and around town. It would run every day of the fair with pre-determined designated hours.

In addition, we understand that upon approval of this request, we would have to provide proof on insurance as well as a driver’s fee and fuel. Thank you for your consideration and please feel free to contact me with any questions.

Assurance Statement

The school/school district understands that it is responsible for compliance with all applicable state statutes, administrative rules, and department policies, regardless of when the school/school district’s accreditation review occurs, and that an off-cycle accreditation review may be scheduled.

Superintendent

TO: BOARD MEMBERS

FROM: Terry D. Nebelsick, Ed.S
Superintendent

SUBJECT: RESOLUTION FOR BOARD APPROVAL

The Huron School District accepts (16) designated pick-up points for the Iroquois school buses in the city of Huron. The pick-up points will be as similar to the 17-18 points as possible, being sensitive to Huron Public pick-up points and avoiding traffic concerns. The Huron Board appreciates the intent of the Iroquois district to avoid door-to-door services and to provide no higher level of service than it affords its own residents.

Huron School Board also recognizes the resolution by the Iroquois School District to allow the Huron School District to pick up students in the city of Iroquois at any location.

TO:        BOARD MEMBERS
FROM:      Terry D. Nebelsick, Ed.S
           Superintendent

SUBJECT:   RESOLUTION FOR BOARD APPROVAL

The Huron School District accepts (16) designated pick-up points for the Wolsey-Wessington school buses in the city of Huron. The pick-up points will be as similar to the 17-18 points as possible, being sensitive to Huron Public pick-up points and avoiding traffic concerns. The Huron Board appreciates the intent of the Wolsey-Wessington district to avoid door-to-door services and to provide no higher level of service than it affords its own residents.

Huron School Board also recognizes the resolution by the Wolsey-Wessington School District to allow the Huron School District to pick up students in the city of Wolsey at any location.
Resolution For Neighboring School Districts
To Establish School Bus/Student Pick-up Locations

Be it resolved by the Wolsey-Wessington School District on the 16th day of July 2018. The Wolsey-Wessington School District resolves that neighboring school districts may pick up students in the Wolsey-Wessington School District attendance center at locations that the serving school district finds to be safe and age appropriate, regardless of time and location.

Respectfully signed on the 16th day of July, 2018,

Ted Haeder, School Board Chair
ZPass Components

Transportation will be:

1) Initiating a mandatory usage policy for the ZPass every time that a KG-5 student rides the bus.

2) Introduce a release of liability for parents to sign that do not want their students involved in the ZPass program.
   a. The release of liability would state that by signing the release the parent(s) does not want to know what bus their child is on or has been on, the bus stop location they either got on or off of the bus at, and the time that this occurred. This places the responsibility of the student’s whereabouts on the parent if their child does not arrive at the school in the morning or home in the evening.

3) Making ZPass available for those Middle School students that have parents that want their students to participate in the ZPass program.
   a. Must they follow the mandatory use policy with the same consequences as KG-5?
   b. Leave the consequences for not scanning to the parents since they are the ones that asked that their student participate in the ZPass program?

4) Making ZPass available to those Holy Trinity students that use our bussing service and are enrolled in the Huron School System. (4th & 5th graders and SPED students).
   a. Must they follow the mandatory use policy with the same consequences as KG-5?
   b. Leave the consequences for not scanning to the parents since they are the ones that asked that their student participate in the ZPass program?

5) Issuance of ZPass to SPED students. IEP conference will determine if the students should keep the ZPass in their possession for use on the bus, or if the bus driver should keep the pass and scan the pass for that particular student.
   a. Student possession in order to teach independence, responsibility, and rule compliance.
   b. Driver possession – fear of repeated loss of the ZPass if the student were to remain in possession of the pass, or student’s physical inability to scan the pass.
   c. Students that use a wheelchair for mobility – driver possession since the student must board and disembark from the rear of the bus via a lift and the ZPass scanners are located in the driver area (front) of the bus.

Goal is to increase the usage of the ZPass....the program doesn’t work if the passes are not scanned.

Consequences will be:

1) A bus conduct will be issued for every student (excluding those that had parents sign a release of liability form) that does not scan their ZPass twice within a period of 2 successive weeks.
a. First bus conduct = a warning.

b. Second bus conduct = bussing privileges suspended for 5 days.

c. Third bus conduct = bussing privileges suspended for 10 days.

d. Any subsequent bus conducts = bussing privileges suspended for a school semester
   i. Parents may request to have a hearing to reinstate their student's riding privileges sooner.
      1. The hearing would be with the Superintendent of Schools and the Director of Transportation.

Transportation will solely be responsible for determining if a student has not scanned their ZPass and if there have been 2 violations within a 2 consecutive week time period. Bus conducts for these violations will be issued by the bus driver, the Transportation Admin. Assistant, myself, or other Transportation designee. Transportation will also be responsible for keeping track of the number of bus conducts each student has been issued for ZPass violations.
Waiver of Liability and Hold Harmless Transportation Agreement

By signing this form I agree that I have chosen not to have my child(ren), a student with the Huron School District 2-2, participate in the ZPass student ridership tracking program used by the Huron School Transportation Department. I further acknowledge that I am fully aware that without participating in the ZPass student ridership tracking program the Transportation Department, or any entity of the Huron School District 2-2, will not have the tools needed to be able to have the knowledge of the whereabouts of my child(ren) at any time my child(ren) is using the school bussing service that is available with the Huron School District 2-2, through the Transportation Department. Thus, I acknowledge that I am solely responsible for my child(ren) and I assume any and all responsibility for my child(ren)'s whereabouts including, but not limited to, my child(ren) arriving safely at their school in the morning, as well as my child(ren) returning to their designated address for after school.

I am assuming all of the same responsibilities as stated above for my child(ren)'s whereabouts if my child(ren) were to participate in the after school program offered by Washington 4-5 Learning Center and utilize the school bus service, provided by the Huron School District 2-2, Transportation Department, as transportation for my child(ren) to get to their designated address after the completion of the after school class.

I fully understand, and agree, that without my child(ren)'s participation in the ZPass ridership tracking system the Huron School District 2-2, the School Board and its individual members, officers, agents, servants, or employees (hereinafter referred to as releases) will not have the tools, information, or any manner in which to know the whereabouts of my child(ren) at any time that my child(ren) is using the Huron School District 2-2 school bus service as a mode of transportation.

I voluntarily assume full responsibility for any and all risks of my child(ren) becoming lost or misplaced while using the Huron School District 2-2 school bus service as a mode of transportation.

I further hereby agree to indemnify and hold harmless the releases from any and all loss, liability, injury (physical and/or emotional) to either myself and/or my child(ren), or costs due to my child(ren) becoming lost or misplaced while using the school bus transportation service of the Huron School District 2-2.

In signing this waiver of liability and hold harmless transportation agreement, I acknowledge and represent that I have read the foregoing Waiver of Liability and Hold Harmless Agreement, understand it and sign it voluntarily as my own free act and deed.

Bullying prevention program plan for each building:

The school counselor teaches Second Step in each classroom in the elementary buildings. Second Step curriculum is also taught at the Middle School in the STRIPES program. Teachers are trained in observing and reporting any alleged bullying/harassment. Title IX compliance is addressed at the district in-service. Counseling sessions with students help with bullying issues, as well as promoting anti-bullying measures. Increased cyber bullying has created a need to make for awareness. Health and social skill lessons by the nurse and the counselor have been implemented at both the elementary schools and the middle school. The 6th grade Physical Education teams with the Center for Independence in bringing awareness to physical disabilities and labeling. Assemblies at the schools have been implemented with such topics as respect, and kindness. At the high school, Mr. Radke and Mrs. Konechne discuss the bullying policies with the freshman during their orientation, and reviews policy with each grade on the first day of school. In early October, the principals and counselors met with the freshman and sophomores to discuss prevention with special emphasis on the role technology plays in bullying.

July 20, 2018
Kelly Christopherson, Business Manager
Huron School District No. 2-2
PO Box 949
Huron, SD 57350

We are pleased to confirm our understanding of the services we are to provide Huron School District No. 2-2 for the year ended June 30, 2018. We will audit the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information, including the related notes to the financial statements, which collectively comprise the basic financial statements of Huron School District No. 2-2 as of and for the year ended June 30, 2018. Accounting standards generally accepted in the United States of America provide for certain required supplementary information (RSI), such as management's discussion and analysis (MD&A), to supplement Huron School District No. 2-2's basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. As part of our engagement, we will apply certain limited procedures to Huron School District No. 2-2’s RSI in accordance with auditing standards generally accepted in the United States of America. These limited procedures will consist of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management’s responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We will not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance. The following RSI is required by U.S. generally accepted accounting principles and will be subjected to certain limited procedures, but will not be audited:

1) Management’s Discussion and Analysis
2) Budgetary Comparison Schedules
3) Schedule of Proportionate Share of the Net Pension Liability (Asset)
4) Schedule of School District Contribution
5) Schedule of Funding Progress

We have also been engaged to report on supplementary information other than RSI that accompanies Huron School District No. 2-2’s financial statements. We will subject the following supplementary information to the auditing procedures applied in our audit of the financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the financial statements or to the financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America, and we will provide an opinion on it in relation to the financial statements as a whole, in a report combined with our auditor’s report on the financial statements:

1) Schedule of expenditures of federal awards.

Audit Objectives

The objective of our audit is the expression of opinions as to whether your financial statements are fairly presented, in all material respects, in conformity with U.S. generally accepted accounting principles and to report on the fairness of the supplementary information referred to in the second paragraph when considered in relation to the financial statements as a whole. The objective also includes reporting on—
- Internal control over financial reporting and compliance with provisions of laws, regulations, contracts, and award agreements; noncompliance with which could have a material effect on the financial statements in accordance with Government Auditing Standards.

- Internal control over compliance related to major programs and an opinion (or disclaimer of opinion) on compliance with federal statutes, regulations, and the terms and conditions of federal awards that could have a direct and material effect on each major program in accordance with the Single Audit Act Amendments of 1996 and Title 2 U.S. Code of Federal Regulations (CFR) Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards (Uniform Guidance).

The Government Auditing Standards report on internal control over financial reporting and on compliance and other matters will include a paragraph that states that (1) the purpose of the report is solely to describe the scope of testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance, and (2) the report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the entity's internal control and compliance. The Uniform Guidance report on internal control over compliance will include a paragraph that states that the purpose of the report on internal control over compliance is solely to describe the scope of testing of internal control over compliance and the results of that testing based on the requirements of the Uniform Guidance. Both reports will state that the report is not suitable for any other purpose.

Our audit will be conducted in accordance with auditing standards generally accepted in the United States of America; the standards for financial audits contained in Government Auditing Standards; issued by the Comptroller General of the United States; the Single Audit Act Amendments of 1996; and the provisions of the Uniform Guidance, and will include tests of accounting records, a determination of major program(s) in accordance with the Uniform Guidance, and other procedures we consider necessary to enable us to express such opinions. We will issue written reports upon completion of our Single Audit. Our reports will be addressed to the governing board of Huron School District No. 1-2. We cannot provide assurance that unmodified opinions will be expressed. Circumstances may arise in which it is necessary for us to modify our opinions or add emphasis-of-matter or other-matter paragraphs. If our opinions are other than unmodified, we will discuss the reasons with you in advance. If, for any reason, we are unable to complete the audit or are unable to form or have not formed opinions, we may decline to express opinions or issue reports, or we may withdraw from this engagement.

Audit Procedures—General

An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statements; therefore, our audit will involve judgment about the number of transactions to be examined and the areas to be tested. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements. We will plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement, whether from (1) errors, (2) fraudulent financial reporting, (3) misappropriation of assets, or (4) violations of laws or governmental regulations that are attributable to the government or to acts by management or employees acting on behalf of the government. Because the determination of abuse is subjective, Government Auditing Standards do not expect auditors to provide reasonable assurance of detecting abuse.

Because of the inherent limitations of an audit, combined with the inherent limitations of internal control, and because we will not perform a detailed examination of all transactions, there is a risk that material misstatements or noncompliance may exist and not be detected by us, even though the audit is properly planned and performed in accordance with U.S. generally accepted auditing standards and Government Auditing Standards. In addition, an audit is not designed to detect immaterial misstatements or violations of laws or governmental regulations that do not have a direct and material effect on the financial statements or on major programs. However, we will inform the appropriate level of management of any material errors, any fraudulent financial reporting, or misappropriation of assets that come to our attention. We will also inform the appropriate level of management of any violations of laws or governmental regulations that come to our attention, unless clearly inconsequential, and of any material abuse that comes to our attention. We will include such matters in the reports required for a Single Audit. Our responsibility as auditors is limited to the period covered by our audit and does not extend to any later periods for which we are not engaged as auditors.

Our procedures will include tests of documentary evidence supporting the transactions recorded in the accounts, and may include tests of the physical existence of inventories, and direct confirmation of receivables and certain other assets and liabilities by correspondence with selected individuals, funding sources, creditors, and financial institutions. We will request written representations from your attorneys as part of the engagement, and they may bill you for
responding to this inquiry. At the conclusion of our audit, we will require certain written representations from you about your responsibilities for the financial statements; schedule of expenditures of federal awards; federal award programs; compliance with laws, regulations, contracts, and grant agreements; and other responsibilities required by generally accepted auditing standards.

Audit Procedures—Internal Control

Our audit will include obtaining an understanding of the government and its environment, including internal control, sufficient to assess the risks of material misstatement of the financial statements and to design the nature, timing, and extent of further audit procedures. Tests of controls may be performed to test the effectiveness of certain controls that we consider relevant to preventing and detecting errors and fraud that are material to the financial statements and to preventing and detecting misstatements resulting from illegal acts and other noncompliance matters that have a direct and material effect on the financial statements. Our tests, if performed, will be less in scope than would be necessary to render an opinion on internal control and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to Government Auditing Standards.

As required by the Uniform Guidance, we will perform tests of controls over compliance to evaluate the effectiveness of the design and operation of controls that we consider relevant to preventing or detecting material noncompliance with compliance requirements applicable to each major federal award program. However, our tests will be less in scope than would be necessary to render an opinion on those controls and, accordingly, no opinion will be expressed in our report on internal control issued pursuant to the Uniform Guidance.

An audit is not designed to provide assurance on internal control or to identify significant deficiencies or material weaknesses. Accordingly, we will express no such opinion. However, during the audit, we will communicate to management and those charged with governance internal control related matters that are required to be communicated under AICPA professional standards, Government Auditing Standards, and the Uniform Guidance.

Audit Procedures—Compliance

As part of obtaining reasonable assurance about whether the financial statements are free of material misstatement, we will perform tests of Huron School District No. 2-2's compliance with provisions of applicable laws, regulations, contracts, and agreements, including grant agreements. However, the objective of those procedures will not be to provide an opinion on overall compliance and we will not express such an opinion in our report on compliance issued pursuant to Government Auditing Standards.

The Uniform Guidance requires that we also plan and perform the audit to obtain reasonable assurance about whether the auditee has complied with federal statutes, regulations, and the terms and conditions of federal awards applicable to major programs. Our procedures will consist of tests of transactions and other applicable procedures described in the OMB Compliance Supplement for the types of compliance requirements that could have a direct and material effect on each of Huron School district No. 2-2's major programs. The purpose of these procedures will be to express an opinion on Huron School District No. 2-2's compliance with requirements applicable to each of its major programs in our report on compliance issued pursuant to the Uniform Guidance.

Other Services

We will also assist in preparing the financial statements, schedule of expenditures of federal awards, and related notes of Huron School District No. 2-2 in conformity with U.S. generally accepted accounting principles and the Uniform Guidance based on information provided by you. These nonaudit services do not constitute an audit under Government Auditing Standards and such services will not be conducted in accordance with Government Auditing Standards. We will perform the services in accordance with applicable professional standards. The other services are limited to the financial statements, schedule of expenditures of federal awards, and related notes services previously defined. We, in our sole professional judgment, reserve the right to refuse to perform any procedure or take any action that could be construed as assuming management responsibilities.

Management Responsibilities

Management is responsible for (1) designing, implementing, establishing, and maintaining effective internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error, including internal controls over federal awards, and for evaluating and monitoring ongoing activities to help ensure that appropriate goals and objectives are met; (2) following laws and regulations; (3) ensuring that there is reasonable assurance that government programs are administered in compliance with compliance requirements; and (4) ensuring that management and financial information is reliable and properly reported. Management is also responsible for implementing systems designed to achieve compliance with applicable laws, regulations, contracts, and grant agreements. You are also responsible for the selection and application of
accounting principles; for the preparation and fair presentation of the financial statements, schedule of expenditures of federal awards, and all accompanying information in conformity with U.S. generally accepted accounting principles; and for compliance with applicable laws and regulations (including federal statutes) and the provisions of contracts and grant agreements (including award agreements). Your responsibilities also include identifying significant contractor relationships in which the contractor has responsibility for program compliance and for the accuracy and completeness of that information.

Management is also responsible for making all financial records and related information available to us and for the accuracy and completeness of that information. You are also responsible for providing us with (1) access to all information of which you are aware that is relevant to the preparation and fair presentation of the financial statements, (2) access to personnel, accounts, books, records, supporting documentation, and other information as needed to perform an audit under the Uniform Guidance, (3) additional information that we may request for the purpose of the audit, and (4) unrestricted access to persons within the government from whom we determine it necessary to obtain audit evidence.

Your responsibilities include adjusting the financial statements to correct material misstatements and confirming to us in the management representation letter that the effects of any uncorrected misstatements aggregated by us during the current engagement and pertaining to the latest period presented are immaterial, both individually and in the aggregate, to the financial statements as a whole.

You are responsible for the design and implementation of programs and controls to prevent and detect fraud, and for informing us about all known or suspected fraud affecting the government involving (1) management, (2) employees who have significant roles in internal control, and (3) others where the fraud could have a material effect on the financial statements. Your responsibilities include informing us of your knowledge of any allegations of fraud or suspected fraud affecting the government received in communications from employees, former employees, grantees, contractors, or others. In addition, you are responsible for identifying and ensuring that the government complies with applicable laws, regulations, contracts, agreements, and grants. Management is also responsible for taking timely and appropriate steps to remedy fraud and noncompliance with provisions of laws, regulations, contracts, and grant agreements, or abuse that we report. Additionally, as required by the Uniform Guidance, it is management's responsibility to evaluate and monitor noncompliance with federal statutes, regulations, and the terms and conditions of federal awards; take prompt action when instances of noncompliance are identified including noncompliance identified in audit findings; promptly follow up and take corrective action on reported audit findings; and prepare a summary schedule of prior audit findings and a separate corrective action plan. The summary schedule of prior audit findings should be available for our review.

You are responsible for identifying all federal awards received and understanding and complying with the compliance requirements and for the preparation of the schedule of expenditures of federal awards (including notes and noncash assistance received) in conformity with the Uniform Guidance. You agree to include our report on the schedule of expenditures of federal awards in any document that contains and indicates that we have reported on the schedule of expenditures of federal awards. You also agree to make the audited financial statements readily available to intended users of the schedule of expenditures of federal awards no later than the date the schedule of expenditures of federal awards is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the schedule of expenditures of federal awards in accordance with the Uniform Guidance; (2) you believe the schedule of expenditures of federal awards, including its form and content, is stated fairly in accordance with the Uniform Guidance; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the schedule of expenditures of federal awards.

You are also responsible for the preparation of the other supplementary information, which we have been engaged to report on, in conformity with U.S. generally accepted accounting principles. You agree to include our report on the supplementary information in any document that contains, and indicates that we have reported on, the supplementary information. You also agree to make the audited financial statements readily available to users of the supplementary information no later than the date the supplementary information is issued with our report thereon. Your responsibilities include acknowledging to us in the written representation letter that (1) you are responsible for presentation of the supplementary information in accordance with GAAP; (2) you believe the supplementary information, including its form and content, is fairly presented in accordance with GAAP; (3) the methods of measurement or presentation have not changed from those used in the prior period (or, if they have changed, the reasons for such changes); and (4) you have disclosed to us any significant assumptions or interpretations underlying the measurement or presentation of the supplementary information.
Management is responsible for establishing and maintaining a process for tracking the status of audit findings and recommendations. Management is also responsible for identifying and providing report copies of previous financial audits, attestation engagements, performance audits, or other studies related to the objectives discussed in the Audit Objectives section of this letter. This responsibility includes relaying to us corrective actions taken to address significant findings and recommendations resulting from those audits, attestation engagements, performance audits, or studies. You are also responsible for providing management's views on our current findings, conclusions, and recommendations, as well as your planned corrective actions, for the report, and for the timing and format for providing that information.

You agree to assume all management responsibilities relating to the financial statements, schedule of expenditures of federal awards, and related notes, and any other nonaudit services we provide. You will be required to acknowledge in the management representation letter our assistance with preparation of the financial statements, schedule of expenditures of federal awards, and related notes and that you have reviewed and approved the financial statements, schedule of expenditures of federal awards, and related notes prior to their issuance and have accepted responsibility for them. Further, you agree to oversee the nonaudit services by designating an individual, preferably from senior management, with suitable skill, knowledge, or experience; evaluate the adequacy and results of those services; and accept responsibility for them.

**Engagement Administration, Fees, and Other**

We understand that your employees will prepare all cash, accounts receivable, or other confirmations we request and will locate any documents selected by us for testing.

At the conclusion of the engagement, we will complete the appropriate sections of the Data Collection Form that summarizes our audit findings. It is management's responsibility to electronically submit the reporting package (including financial statements, schedule of expenditures of federal awards, summary schedule of prior audit findings, auditor's reports, and corrective action plan) along with the Data Collection Form to the federal audit clearinghouse. We will coordinate with you the electronic submission and certification. The Data Collection Form and the reporting package must be submitted within the earlier of 30 calendar days after receipt of the auditor's reports or nine months after the end of the audit period.

We will provide copies of our reports to South Dakota Department of Legislative Audit; however, management is responsible for distribution of the reports and the financial statements. Unless restricted by law or regulation, or containing privileged and confidential information, copies of our reports are to be made available for public inspection.

The audit documentation for this engagement is the property of ELO Prof. LLC and constitutes confidential information. However, subject to applicable laws and regulations, audit documentation and appropriate individuals will be made available upon request and in a timely manner to the Federal Government, the State of South Dakota, a federal agency providing direct or indirect funding, or the U.S. Government Accountability Office for purposes of a quality review of the audit, to resolve audit findings, or to carry out oversight responsibilities. We will notify you of any such request. If requested, access to such audit documentation will be provided under the supervision of ELO Prof. LLC personnel. Furthermore, upon request, we may provide copies of selected audit documentation to the aforementioned parties. These parties may intend, or decide, to distribute the copies or information contained therein to others, including other governmental agencies.

The audit documentation for this engagement will be retained for a minimum of five years after the report release date or for any additional period requested by the Federal Government or the State of South Dakota. If we are aware that a federal awarding agency, pass-through entity, or auditee is contesting an audit finding, we will contact the parties contesting the audit finding for guidance prior to destroying the audit documentation.

We expect to begin our audit in August 2018 and to issue our reports no later than December 31, 2018. Jamie Eldeen is the engagement partner and is responsible for supervising the engagement and signing the reports or authorizing another individual to sign them.

Our fee for these services will be at our standard hourly rates plus out-of-pocket costs (such as report reproduction, word processing, postage, travel, copies, telephone, etc.) except that we agree that our gross fee, including expenses, will not exceed $19,850. Our standard hourly rates vary according to the degree of responsibility involved and the experience level of the personnel assigned to your audit. Our invoices for these fees will be rendered each month as work progresses and are payable on presentation. In accordance with our firm policies, work may be suspended if your account becomes 30 days or more overdue and may not be resumed until your account is paid in full. If we elect to terminate our services for nonpayment, our engagement will be deemed to have been completed upon written notification of termination, even if we have not completed our report(s). You will be obligated to compensate us for all
time expended and to reimburse us for all out-of-pocket costs through the date of termination. The above fee is based on anticipated cooperation from your personnel and the assumption that unexpected circumstances will not be encountered during the audit. If significant additional time is necessary, we will discuss it with you and arrive at a new fee estimate before we incur the additional costs.
