Dear Huron Administration:

Please accept this letter as notice of my resignation from my position as 2nd grade teacher at the Madison 2-3 Center. I will be done at the end of my contract.

I received a job offer outside the school district and after some serious consideration I realized this offer was something I could not pass on. This was an offer I felt would be best for my family and myself. I feel I am ready to take on a new challenge outside the field of teaching.

I have enjoyed many aspects of working here the last year and feel I have learned so much during my time. Teaching here has been a memorable experience for me and it has been such a pleasure getting to know the staff and students here in Huron. I also appreciate the professional development I received during my time here in the Huron School District. I feel I have learned many things that I will carry with me into future career opportunities.

I will leave my room clean and organized to help ease the transition of the person taking my place. I will go through the proper check out procedures so that everything is done correctly and well organized.

I wish you and the Huron School District continued growth and success in the future years.

Sincerely,

To Whom it May Concern:

I am writing to inform you that I will be resigning my positions as a third grade teacher and assistant girls’ tennis coach upon completion of my contract at the end of the 2015-2016 school year. I will be moving to Aberdeen this summer, and therefore taking a new teaching position there.

I have greatly enjoyed my time teaching in Huron, and I am so grateful for this opportunity to have grown as both an educator and a coach.

Thank you for such a great experience.

Sincerely,

Megan Vockrodt

Re: Creighton Bloodgood

On February 25, 2016 at approximately 9:18 a.m., I received a text message from Huron School District employee Creighton Bloodgood stating that he was resigning effective immediately. Mr. Bloodgood further stated that he would be submitting a written resignation letter but as of today, the letter has not been received by me or any other school district employee.

I did have a phone conversation with Mr. Bloodgood on February 29, 2016 and he again reiterated the fact that he would be submitting a written resignation.

HIRING PROCEDURES
HURON SCHOOL DISTRICT 2-2
2016

Introduction

The effectiveness of an educational program is directly related to the quality of its staff. Staff selection decisions have far-reaching educational effects and are of major importance in ensuring the quality of the school district. These guidelines provide a framework for consistency in the district’s hiring practices, allow for objective decision-making, and demonstrate integrity and ethical practice in the selection of employees.

Statement of Objectives

The Huron school district policy on nondiscrimination/equal opportunity and the district’s strategic plan will provide direction as individuals (who provide quality and diversity) are hired in the district.

The selection process will provide fairness and professional courtesy to all candidates.

Administrators, supervisors, and others involved in the process will be committed to high standards in making decisions and will act professionally and be sensitive to confidentiality throughout the entire hiring process.

Employee Orientation

All employees new to the district must complete a fingerprinting/background check prior to employment. The supervisor is responsible for directing the employee to the superintendent’s office for completion of necessary forms.

Administrators will review written job descriptions with new employees. In addition, a specific orientation program which may include assistance from other district staff should be provided.

Veteran’s Preference

In compliance with South Dakota Codified Law 3-3-1 and 3-3-2, veterans’ who have the qualification for a position, will be granted and interview. A veteran with an “interview rating” equal to other candidates will be ganted preference in hiring. “A veteran who has a service-connected disability shall be given a preference over a non-disabled veteran.”

The most qualified candidate with the highest rating will be offered the position, regardless of whether they are a Veteran.
Selection Process/Certified Staff

Supervisors are advised to reference the “Hiring Process/ADA” guidance (page 7) before beginning the selection process.

The selection process will involve six steps:
1. advertisement,
2. application,
3. screening,
4. interview,
5. reference checks and verification of qualifications; and,
6. recommendation/selection/notification.

The Advertisement Process
1. It is the responsibility of the building or department supervisor to notify the superintendent’s office of the vacancy/employee’s resignation. Employees may also inform the superintendent’s office directly of their resignation.

2. Vacancy notices will be prepared by the superintendent’s office with input from the supervisor’s office. The job vacancy, qualifications, and closing dates may be posted/advertised internally and externally.

3. Screening and/or interviewing may take place before the closing date has passed. However, the position will remain open and applicants considered until the closing date has passed.

The Application Process
1. All applications are processed through the superintendent’s office.

2. All materials requested from the applicant (e.g., completed application form, transcript, credentials, resume, etc.) must be on file before the applicant is considered for the advertised position(s).

*NOTE - This is now a digital process through TalentEd.com

3. Files will be kept in the superintendent’s office. Supervisors may request a confidential copy of the application and references, which must be destroyed at the end of the process.

The Screening Process
1. Applicant materials will be screened based on the qualifications as per the job description and other criteria set forth by the superintendent and supervisor. Note the importance of “Highly Qualified” status on meeting accreditation expectations.

2. The digital-paper screen of applicants will be conducted by the (prospective employee’s) immediate supervisor. Applicants will be selected for interviews based on the evaluation of file materials. A supervisor may make reference calls during the screening process.

3. The supervisor will notify the superintendent’s office of applicants he/she wishes to interview.
The Interview Process

1. Interviews for certified positions will be scheduled through the superintendent’s office. The process will involve two steps: an interview/introduction with the superintendent and a formal interview through the supervisor as described below.

   A. The supervisor is responsible for developing and using an interview instrument (and determining if a team will be used) which will be used with each candidate. For teacher candidates, the superintendent may utilize the “Empathy Interview Instrument” during his/her interview. The applicant’s score on the Empathy will receive serious consideration regarding the applicant’s status. It is the supervisor’s option to also meet separately after or before the team interview.

   B. The supervisor is encouraged to use a team to conduct the interviews and to provide input. However, the supervisor is the sole-person responsible for making the hiring recommendation to the superintendent.

   C. The supervisor must complete an employment interview rating sheet for each interviewee. This rating sheet will be included in the applicant’s file.

Reference Checks

1. The supervisor will check the references of the candidate selected. A minimum of three documented references must be conducted on the candidate selected.

Supervisor’s Recommendation

1. The supervisor will inform the superintendent of the recommendation.

2. Candidates who have been interviewed, but not selected for the position will be contacted by the hiring administrator. This may be done in person, or via phone, email, text, or postal mail. The administrative assistant in the Superintendent’s Office will notify other applicants through email.

3. The superintendent will submit the candidate to the board of education for approval. (In some circumstances, the employee may sign the contract and begin working prior to board approval.)

4. The supervisor and the superintendent’s office will notify the business manager and payroll office of all personnel hired.
Selection Process/Classified Staff

The selection process will involve six steps:

1. advertisement,
2. application,
3. screening,
4. interview,
5. reference checks and verification of qualifications; and,
6. recommendation/decision/notification.

The Advertisement Process

1. Postings/advertisements are generated (when a vacancy occurs) by the administrator responsible for the program. Timelines must be included in the posting. The posting may be internal only. Advertisements to be placed in the Plainsman or other publications must be cleared through the superintendent’s office.

The Application Process

1. A complete applicant’s file shall include a letter of application, a completed application form, and a resume. (Additional materials may be submitted by the applicant.) These materials are now submitted via TalentEd.com.

2. The file will be duplicated by whoever receives the information. One copy will be kept in the superintendent’s office and one in the supervisor’s office. The supervisor will return only the file of the person hired. The superintendent’s office will retain all applicant files for a minimum of one year, creating access to other supervisors with similar job openings through the TalentEd system.

The Screening Process

1. Only completed files will be reviewed during the screening process.

2. The digital paper screen of the applicants will be conducted by the administrator responsible for the program.

The Interview Process

1. The administrator responsible for the program is in charge of the interview process—and is responsible for the hiring decision.

2. The administrator is responsible for developing and using the interview instrument.

3. The administrator is responsible to review the interview process with the interview team (if a team is being used) and to utilize criteria which will be used to rate the candidates.
Reference Checks

1. The administrator will conduct a minimum of three reference checks on the candidate selected to be hired.

Supervisor’s Recommendation

1. Supervisors must verify para-educator’s status as Highly Qualified with the Director of Federal Programs prior to offering employment.

2. The supervisor will provide the following offices in the business office with the hiring decision: business manager, payroll officer, and classified Highly Qualified compliance officer.

3. Candidates who have been interviewed but not selected for the position will be contacted by the hiring administrator. This may be done in person, or via phone, email, text, or postal mail. The administrative assistant in the Superintendent’s Office will notify other applicants through email.
Major Areas to be Aware of and to "Avoid" When Interviewing

1. Topics to **avoid** asking a candidate:
   -- Plans for raising a family.
   -- Marital plans.
   -- Number of dependents.
   -- Baby-sitting arrangements.
   -- Occupation of spouse.

2. Topics to **avoid** relating to possible age discrimination:
   -- Ability to “keep pace.” (This is a high-rolling system. Do you think you have the endurance to keep up?)
   -- Age related relationship. (How do you feel about working for a person younger than you?)

3. Topics to **avoid** relating to religion:
   -- Church attendance/activities, observance of religious holidays.

4. Topics to **avoid** relating to national origin:
   -- Nationality of applicant’s parents or spouse.
   -- Inquiry into how applicant learned to read, write, or speak a foreign language.
   -- Inquiry about the name and address of the nearest relative to be notified in case of an emergency.
THE HIRING PROCESS/ADA

The employer’s obligation under ADA is to provide an equal opportunity for individuals with disabilities to apply and to be considered for a job.

Prior to Advertising, Examine the Job Description

1. The key issue throughout the process is whether an otherwise qualified applicant with a disability, with or without reasonable accommodation, can perform the essential functions of the job (specified in the job description). Essential functions are defined as the fundamental duties of the employment position the individual seeks to hold.

The Application Process

1. The application process must not work to eliminate persons with disabilities on the basis of their disabilities.

2. The application form must be made accessible in many ways, including the following: mailing the form to a potential applicant, making forms available in an accessible building, permitting the applicant to apply in another manner.

3. Employers may tell applicants what the hiring process involves and may ask applicants whether they will need a reasonable accommodation for the process.

Pre-employment Inquiries/Questions in the Interview

1. Ask only those questions which will elicit information used to determine job-related qualifications. Questions should be designed to determine whether the applicant can perform specific functions of the position, with or without reasonable accommodation.

2. Employers may not make inquiry into the existence, nature, or severity of a disability. An employer may ask if the applicant can do the tasks set out in the job description with reasonable accommodation.
REFERENCE CHECK FORM
(Digital references may also be verified)

Candidate  

Position

1. How did the candidate’s position relate to yours?

2. What were the applicant’s responsibilities?

3. How would you describe the caliber of the candidate?

4. Can you name three to five strengths of the applicant?

5. Can you name three to five weaknesses of the applicant?

6. How would you describe the interpersonal relationship of the applicant to peers, students, patrons, or supervisors?

7. Why is the candidate looking for another position?

8. Would you consider rehiring the candidate?

**Note:** Formula(s) for advancing hiring schedule each year:

**Formula A - When raises are % of teachers pay:**
- Step 0 of new schedule = (% raise x .90) + Step 0
- Step 1 of new schedule = % raise x Step 0 + Step 0
- Step 2 of new schedule = % raise x Step 1 + Step 1
- Step 3 of new schedule = % raise x Step 2 + Step 2
- Step 4 of new schedule = % raise x Step 3 + Step 3

**Formula B - When raises are flat dollar amount for each teacher:**
- Raise = Total $ available for raise divide by # FTE = Flat $ Amount per Full time Teacher
- Step 0 of new schedule = ($ raise x .90) + Step 0
- Step 1 of new schedule = $ raise + Step 0
- Step 2 of new schedule = $ raise + Step 1
- Step 3 of new schedule = $ raise + Step 2
- Step 4 of new schedule = $ raise + Step 3

2015
**EXTRA DUTY SCHEDULE**

The base salary for calculation of extra duty salary includes both the salary increase and the wellness incentive. To determine the point value for extra duty salaries, each point will equal 1.3 percent of the extra duty base salary. The extra duty base salary represents the previous year’s extra duty base salary plus the full % raise teachers received. 2015-16 = $35,705 (14-15 extra duty base) x 1.05% = $37,490 * 1.3 % = $487 per unit. The extra duty base salary will increase at a rate equal to the average teacher salary increase. *The extra duty base salary is not the base salary on the teacher hiring schedule.*

(NOTE: The hiring raise for 2015-16 was 4.5% less $200, and this group gained full single Delta Dental. The reason for $200 deduction is due to a documented $312 step forfeited in early 2000's to gain right to purchase Delta Dental, TN.)

The hiring schedule increased by 90% of the raise – 1.045 factor.

All positions shall be a 40-hour a week position.

Hours per day may be varied according to office needs during the regular school term and summer months. Departure from the normal 7:30 a.m. to 4:30 p.m., five days per week schedule must be approved by the superintendent’s office or supervisor.

The superintendent must approve all hiring and wage requests. All new (Division I and II) full-time personnel hired, will enter employment with the Huron School District at the (zero) step, unless granted credit not to exceed five steps. The new employee may earn steps for experience (responsibility determined to be similar) and/or education (i.e. AA=1 step, BA=2 steps). Employees will be allowed to earn one additional step per year (after raise has been factored) until they have earned five ($.15) steps on the hiring schedule. Employees granted steps at hiring are limited to the same five total steps that can be earned before their salary is “locked in” and becomes only eligible for cost of living raises. The salary during the (60-working-day) probationary period shall be one step below normal allowable credit. Upon the completion of the probationary period, the employee will either become a regular employee - the probation will be extended – or employment is terminated.

Normal annual increments may be withheld from the employee for unsatisfactory performance upon the recommendation by the immediate supervising administrator and by the superintendent of schools and the board of education. Removal of the unsatisfactory recommendation for the following year shall mean a normal annual increase in salary. However, employee shall not pick up the lost salary.

Pay scale is a daily rate so we will not pay extra for minor breakdown, bad weather, or other delays.

Extra pay will be allowed if driver is required by the school administration to make an extra run during the day, such as for conferences.

Rates of pay will be established each year based on the mileage for each established route. We have no salary guarantees from one year to the next. Experience rating is the only carryover.

Drivers for activity trips will be chosen from those who volunteer for such service and who we feel are fully qualified for this duty. Pay will be on an hourly basis of $25.00 per hour.

Substitute drivers will be paid $25.00 per hour or the applicable daily rate of pay from the route salary schedule if traveling in the country.
