Dear Mrs. Foss,

Please accept this letter as my official resignation from my position as 5th grade teacher at the Washington 4/5 Center with the Huron Public School District. After much contemplation, I have made the difficult decision to move closer to family.

I have thoroughly enjoyed my time teaching here, and am honored to have had the chance to touch the lives of so many children. You have been a wonderful mentor, and I feel blessed to have had you as my principal for the past five years. Thank you for providing me with my first teaching experience where I have grown and developed as an educator. I have found that I have learned much from the children that I have been blessed to teach. It has been a rewarding opportunity.

I will work hard in my final days of employment to complete all of the required duties assigned to me. I am happy to assist in making the transition as seamless as I can. Please let me know if you need any additional information and do not hesitate to reach out with questions by phone at (605) 660-8958 or email at abbie.hanson@k12.sd.us.

Sincerely,

Abbie Hanson

CC Mr. Terry Nebelsick
Board Members
Mr Rotert  
Coach Schmitz  

Due to my recent relocation to Missouri for Military duty, I will not be able to continue with my coaching duties for the Huron Tigers. With much regret I have to resign. It has been the greatest experience of my life. I would like to post a message on the Huron Tiger Facebook page. There will be no off-color remarks of any kind toward the school, administration, coaches, parents, or players. I will do that this afternoon or this evening.

I hope if I ever come back to Huron, that I would be welcome to attend a practice or camp. I gave my very best to the Tiger Football program for many years, and I hope I am welcome to freely assist if the situation ever presents itself again.

Thank you for all you have done for me.

We are very excited to nominate Crystal Whitney as the Classified Employee of the Month.

Mrs. Whitney works with all the 4th and 5th graders whether it be one-on-one, small group instruction or whole group. She always projects a warm and cheerful attitude to everyone she works with. She loves to be around people, works hard and always tries to lift the spirits of those around her.

Mrs. Whitney is always willing to step in where needed whether to watch a class until a sub arrives or doing morning announcements when the principal is out of the office.

Along with assisting the students through the guidance of the teachers, she gathers several scholars each Friday to sing with her over the announcements a patriotic song.

Her hard work and diligence to support students is commendable, as well as her ability to work with students and support them. This helps make for successful 4th & 5th graders.

Her daily motto is “Good Attitude”.

These are the descriptions of Mrs. Whitney from staff members:

- Energetic
- Enthusiastic
- Positive
- Enthusiasm is contagious
- Makes everyone feel important
- Kind
- Up Beat
- Caring

Congratulations Mrs. Whitney for being the Classified Employee of the Month.
Dear Board Members,

I had another meeting with the State ROW Office today regarding what they want to do at McKinley.

First, they apologize for giving us some misinformation. They will **NOT** maintain a sidewalk that is within a permanent easement, they previously said they would be responsible for the sidewalk. Nor will they have anything to do with snow removal or lawn care. We are to follow City ordinances related to snow removal and lawn care.

**New Information** –
- State law does not allow them to acquire more property than is required for the project, this is why they are not offering a Warranty Deed for the sidewalk. They are offering a permanent easement and we maintain ownership of the property.
- The State must provide a sidewalk for public access at this location. Without the permanent easement they do not have an existing sidewalk in place and must build a new one in the existing ROW.

**Options** –
1. Accept the ROW Agreement as presented as well as the Permanent Easement, Temporary Easement, and Warranty Deed. A payment of $1 or $10,515 would be issued to the School. They again said that most State and local governments work with them for $1, including a recent agreement with the City of Huron.
2. Reject the Permanent Easement. The State will then remove the trees in the ROW and build a brand new concrete boulevard and sidewalk in the ROW. The brand new boulevard and sidewalk then becomes our responsibility along with the snow removal and lawn care. A payment of $1 to $95 would be issued to the school. The State is being reluctant to commit to removing the old sidewalk, extending our existing sidewalks to the building, and reseeding the area.

**My Recommendation** –
Reject the Permanent Easement. Let the State remove the trees in the ROW and build a brand new concrete boulevard and sidewalk in the ROW. The brand new boulevard and sidewalk then becomes our responsibility along with the snow removal and lawn care. A payment of $1 to $95 would be issued to the school. As a condition of agreeing to the ROW Agreement we request the State to commit to removing the old sidewalk, extending our existing sidewalks to the building, and reseeding the area. We can then replant some new trees on our property. The value of this work exceeds the $10,515 being offered for the Permanent Easement. The sidewalk’s life would be extended greatly compared to leaving the existing sidewalk in place.

We need to let the State know how we want to proceed so that the proper paperwork can be prepared for Board action.
