Seasonal Maintenance Worker – Hiring Immediately!

The SD State Fair is seeking seasonal Maintenance Workers to provide physical labor on a variety of routine building and grounds maintenance projects including:

- General maintenance and repairs of State Fair facilities, grounds, and equipment
- Preparation of grounds and facilities for special events, including set-ups and teardowns
- Manure disposal including cleaning of stalls and livestock pens
- Garbage detail and emptying of trash barrels
- Use of power tools, skid loader, forklifts, etc.

A valid driver's license is preferred but not required. This position is from May through October generally Monday-Friday, 7am-4pm but does require some weekends with extended work hours before, during, and after the annual State Fair. \$14 per hour.

To apply, fill out an application at the SD State Fair Office, 1060 3rd St. SW. For more information, call 605.353.7340.

NEXT ACT tests:

- June 10: register by May 19
 - this will have an additional late fee
- July 15: register by June 16

Massage Therapy Scholarship Program

Massage therapy is a high-demand career. Scholarship money is available through the ND Career Builders program.

Elite Massage Academy accepts students of all ages. Students who qualify for the Career Builders scholarship can complete the program for as little as \$3000.

Call NDUS today!

Juniors: What should YOU be doing over the summer to prepare for you senior year?

- 1. Create A Chart for All Deadlines-** plan out your college application workload.
- 2. Brainstorm Essay Ideas-** research prompts and sample essays from previous years to get an idea of the types of subjects and themes colleges request. Write some ideas down for future reference or write an outline or first draft of some essay ideas and save to use later.
- 3. Prepare for Standardized Tests-** take practice tests, sign up for test prep, or even look into a tutor service.
- 4. Prepare Your Activities List-** Make a list of your activities that aren't only the most impressive but are also reflective of who you are as a person.
- 5. Look for Gaps in Your Resume-** Your goal is to present yourself as a well-rounded student. If you are lacking in certain areas use the summer to fill those in: volunteer, work part-time, seek out an internship.
- 6. Visit Colleges-** nothing is more valuable in getting a sense of a school than a campus visit. Visit a wide-range of campus options but remember the on-campus vibe will be much different in the summer months. Admissions counselors will be available to answer all your questions and give you a tour.
- 7. Investigate Financial Aid-** even if you think your family earns too much to qualify, you should still complete the FAFSA annually.

Financial Aid*

MAY

- Be aware of any summer orientation sessions that you. must attend at the school in which you will enroll and make plans accordingly.
- Prepare a realistic student budget.
- Follow up with your high school to ensure the counselor forwards your final school transcripts to the college.
- Request college transcripts for any dual credit courses you took in high school, a copy for you and a copy for the college you plan to attend.

JUNE

- Plan for college transportation, parking pass, etc.
- Follow up with the financial aid office to ensure all paperwork is complete.
- Attend or register to attend college orientation.
- Register or find out when to register for the fall semester.

JULY

- Research Book-buying options.
- Make copies of your financial aid forms, health forms, etc. for your files to aid in resolving future issues.
- Prepare for the new adventures that await you on campus!
