To whom it may concern:

I am honored to be a part of the Huron School district since October of 2014, Yet it is with great sadness in which I must announce, the school year of 2017-2018 shall be my last. Due to my husband being transferred out of state in his current line of work, I will be resigning from my position as a Special Education Para Educator for the Huron School District.

These past three years have been wonderful. I have learned so much from colleagues, in-services, and fellow administrators. Quite frankly, I am grateful for everyone that has been a part of this experience, for supporting me in enriching a child's life for the past few years.

I would truly like to thank the Huron School District for the many opportunities and support that have been given to me over this period of time. I deeply wish nothing but success for the future of the Huron School District.

Sincerely yours,

Sandra Fabian

Dear Peggy Heinz:

It is with regret that I tender my resignation from the position of Special Education Paraprofessional at Buchanan K-1 Center effective at the end of this school year.

I am grateful to have been here for the last year and a half. I have learned so much and have enjoyed the opportunity to work with such wonderful people and students. I will miss the teachers and students I have come to know and will continue to support and help in any ways that I can in the future. Thank you again for letting me join the staff at Buchanan and making me feel welcome.

Sincerely,

Robert Ray Brooks
