A copy of the proposed Huron High School student handbook for the next academic year is attached. Listed below are proposed changes to the handbook and a rational for each. In addition, all of the dates and names of district employees have been updated.

**Changes may be needed later in the summer following our summer in-service day with Chris Webber and meetings with the school improvement team.**

Please note the following: (Colored red in the handbook)

**Pg 8** The handbook read: “Students at Huron High School are required to enroll in a minimum of six credits per school year.” We changed the wording to read: “Students at Huron High School are required to enroll in a minimum of six classes per semester.” This eliminates the possibility that a student could take eight classes first semester and four classes second semester.

**Pg 8** The handbook had very specific language about when a student’s status would change based on the number of credits they earned. We changed it to read: “Students not reaching 6, 12, or 18 credits at the end of school year will have their status changed as soon as they earn the missing credits. They will also earn the privileges that go along with the new status.”

**Pg 9** The Guidelines to Add/Drop Classes has been changed to the following: “The classes Huron High School offers each year are based on the classes students register for the previous school year. As a result, it is difficult to grant schedule requests. If a student would like to request a schedule change they must complete a Schedule Change Request Form and give it to the office or counseling office. The following are general guidelines for dropping and adding classes.”

**Pg 10** Information on Advanced Placement classes was removed as we no longer offer AP classes. In their place students are taking college classes directly from one of our teachers or taking classes on-line.

Statement of Rights

Students at Huron High School have the basic constitutional rights guaranteed to all citizens. In exercising these rights, students have a responsibility to respect the fundamental rights of all citizens. One purpose of schools is to encourage the responsible use of these rights and develop good citizenship within the framework of an educational society. The school is a community, and the rules of a school are the laws of that community. To enjoy the right of citizenship in the school, students must also accept the responsibilities of citizenship.

Right to Nondiscrimination

The Huron school district does not discriminate in its employment policies and practices, or in its educational programs or activities on the basis of race, color, creed, religion, age, marital status, gender, disability, national origin, or ancestry.

Inquiries concerning the application of Title VI or Title IX may be referred to Mrs. Kari Hinker, Coordinator, Huron School District, Huron, SD 57350 (605-353-8660) or to the U.S. Dept. of Education, Office of Civil Rights, Customer Service Team, 400 Maryland Ave. SW, Washington, DC 20202-1100
Phone: (800) 421-3481; FAX (202) 245-6840; TDD (877) 521-2172; E-mail: OCR@ed.gov

Right of the Disabled

All students with disabilities in the Huron school district are entitled to the benefits of a free, appropriate educational program. For specific information about eligibility and services, please contact the Special Services Director, Lori Wehlander (353-6997).

Section 504/American Disabilities Act

Section 504 accommodations can be provided for a student who has physical or mental impairment that substantially impacts the student’s education. Each situation is based on the individual’s needs. For a complete description of the rights granted under Section 504, please contact Lori Wehlander, Coordinator (353-6997) or the high school (353-7800).

Right to Confidentiality of School Records

The Family Education Rights and Privacy Act of 1974 assures the confidentiality of students' records. A parent, guardian, or student over 18 years of age may refuse to permit the release of any information about a student by notifying the principal in writing.

Please address any concerns that you have over compliance of our schools to the FERPA laws to:
Terry D. Nebelsick, Superintendent, 150 5th St SW, Huron, SD 57350
Phone: (605) 353-6990.

For additional information, you may call 1-800-872-5327, or you may communicate with the following address:

Right to Due Process

The phrase "due process" means that any person accused of a violation of a rule, responsibility, or policy of law is entitled:
A. to know what charges are against him/her.
B. to have the opportunity to present his/her viewpoint before a final disciplinary decision is made.

A student facing serious disciplinary action such as long-term suspension, mandatory reassignment, or expulsion will receive from the school a copy of school policy that outlines a specific procedural process mandated by law to insure due process. If a decision for disciplinary action is made, the student has the opportunity to appeal that decision to a higher authority and must state his/her intent to do so. Disciplinary action must then await the outcome of the appeal. For a copy of the appeal's process, please contact the high school office.

*Local requirements are higher than state requirements

**With school and parent/guardian approval, a student may waive Algebra II or Geometry (the student may not waive both). A student is still required to take 3 units of math. With school and parent/guardian approval, a student may waive the Chemistry or Physics requirement. A student is still required to take 3 units of lab science.

***The courses meeting this requirement include Career and Technical Education courses, world language courses, and career explorations and internships.
Students at Huron High School are required to enroll in a minimum of six classes per semester. To be a freshman students must have completed the requirements of grade 8. To be a sophomore students must have a minimum of 6 credits and be in at least their 3rd semester of high school. To be a junior students must have a minimum of 12 credits and be in at least their 5th semester of high school. To be a senior students must have a minimum of 18 credits and be in at least their 7th semester of high school or completed the process to graduate early.

- Students not reaching 6, 12, or 18 credits at the end of a school year will have their status changed as soon as they earn the required credits. They will also earn the privileges that go along with the new status.

*Seniors must complete all course requirements and have earned 24 credits prior to participating in commencement activities.
**Students attending beyond four years will be on non-traditional status.

Post-Secondary Education
Requirements for graduation are different from college entrance requirements. Students who expect to enroll for further education in post-secondary institutions should plan carefully to make sure they have included the necessary preparation in a high school program for entrance into the post-secondary school of their choice.

Grading System
The school year is divided into four marking periods--each approximately nine weeks long. A report card will be issued after each quarter is completed. The grade recorded on the permanent record is the final grade of the semester. Parent-teacher conferences are held once each semester. Internet access to grades is available throughout the quarter through Parent Portal. Teachers may send out progress reports any time. These progress reports are usually sent out mid-quarter. They are warning or failure notices to the parents or guardians of students who are doing poor or failing work. Parents are urged to contact the student's teachers to discuss and/or help their student when necessary.

Marking System
A = 4.0
B = 3.0
C = 2.0
D = 1.0
F = 0.0

Grade point average
The grade point average (G.P.A.) is computed by the following procedure: multiply the number of grades by their value, add together, and divide by the number of grades. (Semester academic grades are used for this.) For example: Suppose a student received 1 A, 2 B's, and 3 C's
\[(1 \times 4.0) + (2 \times 3.0) + (3 \times 2.0) = 4.0 + 6.0 + 6.0 = 16 \text{ grade points} \]
\[6 \text{ (classes attempted)} \text{ divided into the 16 grade points gives the grade point average} = 2.7 \]

Incomplete (I) grades
Quarter incomplete shall be given when major papers, book reports, or tests are not completed. Teachers may grant a two-week time limit to make up incomplete work. Exceptions to the two-week period will be made when there are extenuating circumstances. All incomplete grades will become an F after this time period.
Guidelines to Add/Drop Classes

The classes Huron High School offers each year are based on the classes students register for the previous school year. As a result, it is difficult to grant schedule requests. If a student would like to request a schedule change they must complete a Schedule Change Request Form and give it to the office or counseling office. The following are general guidelines for dropping and adding classes.

Before the 4th Class Meeting: Students may request to drop a class before the class meets four times. The permanent record will not show the course as taken. If students are not enrolled in a minimum of six classes each semester, another class must be added.

After the 4th Class Meeting: Students may request to drop a class after the fourth class meeting. Students cannot add a class after the fourth meeting of the class. Students who withdraw from a course after the fourth meeting of the class will receive a WITHDRAW PASSING (WP) if they are passing and are above the minimum number of six courses. They will receive a WITHDRAW FAILING (WF) if they are failing. Passing or failing, students who drop below the minimum number of six classes, will receive a WITHDRAW FAILING (WF). WF grades will be counted as an F towards the G.P.A. Students who drop below the minimum number of credits will be placed in a study hall.

Pass/Fail Course Work

Teachers will work with principals in determining whether a class is offered with a pass/fail option. A student may elect to take some course work pass/fail under the following guidelines:

A. A student may elect a maximum of one class per semester pass/fail.
B. Check with the guidance counselors to determine whether a pass/fail grade will jeopardize honors or scholarships. Pass/Fail classes will not meet Regent Scholar requirements.
C. The student must meet with the instructor to fill out the proper request form.
D. Only the principal may allow a student to take a traditional grade after they have been approved for a pass/fail request. The principal will limit discretion to a misunderstanding on the eligibility for honors or scholarships as described in B.
E. Credit received on pass/fail will be applicable toward graduation, but will not count on class rank.
F. The pass/fail will appear on the student's permanent record folder along with other final grades.
G. A student will receive an "F" for failing a course regardless of the decision to take as pass/fail or with traditional grading.
H. Students are encouraged to wait as long as possible before requesting a pass/fail, as teachers and administrators encourage taking a traditional grade whenever possible.
I. Students are discouraged from taking a class pass/fail in order to avoid a "B" on their report card. The transcript with a "B" is held in higher respect than the one with a "pass" grade.

Repeating a Class

If a student repeats a course both grades will appear on the transcript, however, only the highest grade earned will be used to calculate the GPA.
Honor Graduation

Students who graduate with a grade point average (GPA) of 3.900 or higher are listed as graduating with HIGHEST HONORS. Those with a GPA of 3.750 to 3.899 inclusive are designated as graduating with HIGH HONORS, and those with a GPA of 3.500 to 3.749 inclusive are designated as graduating with HONORS.

A student must have completed at least two full semesters at HHS to qualify for honor graduation. In determining honor graduates, all regular academic courses are considered. Grades in music and driver education are excluded. GPA is computed at the end of the 7th semester to determine candidates for honor graduate status. The GPA is recomputed at the end of the 8th semester to confirm honor status and final class rank. Students who qualify to graduate with HIGHEST HONORS, HIGH HONORS, or HONORS after the 8th semester will be recognized at graduation.

Honor Roll

Students are named to the honor roll by maintaining at least a grade point average of 3.500.

Merit Roll

Students are named to the merit roll by maintaining at least a grade point average of 3.000 to 3.499.

Academic Letter

An academic letter can be earned in the following ways:

- Juniors must have a five-semester GPA of 3.750
- Seniors must have a seven-semester GPA of 3.750

Opportunities to earn Post-High School Credit

Information on the following opportunities for earning credit which may apply to post secondary education is available from the counselors in A-113.

- Juniors and Seniors may enroll in classes at a university or technical school and receive credit at Huron High School. Students can enroll only in classes that are not currently offered at HHS. Upon completion of a 3, 4, or 5 credit college class, ½ credit of high school credit will be granted. More information is available in the Counselors’ Office.

- Articulation Agreements
  Articulation agreements with technical institutes allow students the option of transferring high school credit into a technical institute. HHS has agreements in building trades, accounting, and welding. For more information, contact the course instructor or a counselor.

Alternative Education

Students who have struggled or are struggling in class can be referred to the principals for additional assistance outside of their regular classroom. Depending on the student’s needs they may be assigned to the Credit Recovery Center, required to attend after school tutoring, removed from their regular class for one-on-one instruction, or assigned to PRIDE.
Procedures and Policies

Chemical Abuse/Dependency

Huron Public School District #2-2 recognizes that chemical abuse/dependency is a concern that needs to be addressed by the school and community. Chemical dependency problems often interfere with school behavior, student learning, and the fullest possible development of each student.

The use or possession of alcoholic beverages or any controlled substance, as defined by South Dakota Codified Laws (SDCL), by any student on any school property or while attending any school related function is prohibited. For a copy of the complete policy, please contact the high school office (353-7800).

Routine Procedures

Awards: While attending Huron High School, students have the opportunity to earn various awards for academic achievement, athleticism, fine arts participation and citizenship. A list of all awards, and the criteria used to select the recipients, is posted on the Huron High School website. The majority of student awards are presented to students at Class Day ceremony in May.

Book Fines: Books returned with an ordinary amount of deterioration due to usage should be accepted at no charge to the student. Lost textbooks (and books that suffer extreme abuse) will be charged at the following rates:
  a) the replacement cost of a new book - for a book lost in the year it was purchased.
  b) the replacement cost of a book suffering extreme damage or abuse in the year it was purchased.
  c) 50% of the cost of a replacement book suffering extreme damage or lost after its first year.
  d) $15 for a book suffering unusual damages.
  e) $10 for a book suffering minor damages.

Cancellation/Late Start of School: If severe weather conditions require the delay or cancellation of school, local radio (Performance Radio stations) and television (KELO, FOX, KDLT) stations broadcast pertinent information. Additionally, the information is posted on our school webpage, an email goes out to all students and an Campus Messenger® recorded message will be sent to the primary phone number on each student’s record. If school starts late due to bad weather, students will receive a copy of the amended class schedule for that day via their school email account.

Credit Recovery Center: Students may be pulled out of study hall in A121 or the Commons to receive guided instruction in the Credit Recovery Center. Students may also be assigned to the Credit Recovery Center permanently if an instructor, a counselor, and an administrator feel a student needs the assistance.

Detention: A consequence in which students remain after school hours from 3:20pm until 4:00pm.

Early Graduation: Seniors who will meet the graduation requirements at the end of the first semester and plan to graduate early must pick up a procedures form from the counselors before the start of the school year.

Emergency Drills: Directions will be given by school personnel for you to move to areas of safety.
Fire Drills: The signal for a fire drill is the sounding of a shrill fire horn. Your cooperation is needed to clear the building as efficiently and safely as possible.

GIFT: At the conclusion of each semester teachers may provide students with the opportunity to complete work or make up time that they missed during the semester. This opportunity may not exceed the limitations described in the class syllabus.

Hall Passes: To be in the halls, a student must wear their ID and have a pass from an administrator or teacher. This applies to ANY STUDENT who finds it necessary to enter the halls during class time.

IDs: All students, staff and visitors must wear an ID that is visible on the top half of their torso and is in clean and clear condition. While this is an expectation in every class, it is equally important in the hallways and commons, as the need to check and follow-up on persons without identification is a part of safety protocol. Students in the hallway without an ID may be charged with a tardy in their current or next class and will be assessed a replacement fee of $5.00 after using their one free temporary.

Immunization Requirements for School Attendance: SD State Law requires any pupil entering school in this state shall, prior to admission, be required to present to school authorities certification that he or she has received a test for tuberculosis and has received or is in the process of receiving adequate immunization against poliomyelitis, diphtheria, tetanus, pertussis, rubella, rubella, mumps, according to the recommendations of the State Department of Health. Students must also provide proof of immunization for chicken pox or documentation of having had the disease previously. The only exemptions are medical exemptions signed by an M.D. and religious exemption.

Internet Availability: Student use of the Huron School District Network (HSD Network) shall comply with the policies of the school board, district staff, and the Children’s Internet Protection Act (CIPA). Students will receive a copy of the policy. Student use of school technology may be permitted after the permission form signed by parents/guardians has been received by the office. Students who abuse the privilege of internet access may lose access to it.

Lockers: Lockers are the property of the Huron school district. Each student is assigned an individual locker with a combination lock to be used for coats, books, and other school supplies. The school can assume no responsibility for articles lost or stolen. Inspection of lockers can happen at any time by school personnel. Authorized random searches, including drug dogs, are part of our student safety program.

Messages from Parents: Parents should feel free to e-mail their student. Students are permitted access to e-mail during the school day. In emergency situations please call the office and students will be called from class for a telephone call or have messages delivered to them.

Money and Valuables: Please do not bring large amounts of money to school. All valuable articles should be in possession of the owner at all times. The school cannot accept responsibility for stolen money or other articles.

Parent/Teacher Conferences: Parents are encouraged to attend conferences during the first and the second semester of each school year to discuss student progress with staff. Parents will be notified of scheduled conference times. Report cards, issued at the end of each quarter, reflect the students' cumulative progress through that grading period.
Parking Fines: There are designated areas for student parking. Students parking in areas designated for staff, or parking illegally, will be in violation. The first offense will result in the student being asked to move their vehicle, and if this involves leaving a class, will be recorded as a tardy. The second offense will result in student signing an agreement that, upon the third offense, the student acknowledges that their vehicle will be impounded and the fees and fines are the student’s responsibility. The student may be given the option of a $25.00 fine in lieu of the vehicle being towed (cost estimate $90.00).

Posters and Announcements: Any posters or announcements to be displayed in the hallways at Huron High School or read over the network must be approved by an administrator.

Student Dances
Dances and other activities will be supervised by Huron High School staff members. When students enter the activity, they are not to leave unless leaving for the remainder of the event. With the exception of Prom, dances are open only to Huron High School students. When dances are open to non-Huron high school students, guests are subject to the same rules as students and may be required to be pre-registered. School dances are school-sponsored and all rules and expectations for behavior are in effect. Students who are excluded from a school activity for unacceptable behavior may also be excluded from future activities.

Prom – Huron High School Juniors and Seniors who are in good standing with the school may bring a date that does not attend Huron High School. Non-student dates must be registered with the principal’s office, currently enrolled in high school, or have not reached the age 21.

Student Electronic Devices
Students are NOT allowed to use any non-school-issued electronic device while in class.

If an electronic device is observed while school is in session, the following consequences will occur:

- A violation will result in the device being confiscated, delivered to the office and ONLY returned to a parent/guardian. If a parent is not available or chooses not to retrieve the item, it will be available for the student to pick up after 5 days. Items will not be available for pick up on days when school is not in session.

**Note:** Any electronic device on campus is subject to inspection, with reasonable suspicion, by a principal at any time.

Student Telephone: A student telephone is located outside the office, when the office is closed.

Substitute Teachers: Substitute teachers are to be accorded the same respect as regular classroom teachers. Any student failing to maintain a proper relationship with a substitute teacher will be dealt with accordingly. The responsibility is on the student to treat a substitute with the respect and courtesy that is due all persons at HHS.

Privilege Package

ENTRY LEVEL
A freshman enters Huron High School with the opportunity to establish themselves as a good citizen and a sound academic student. Attending regularly and passing all classes will lead to the opportunity to earn a set of campus life privileges described below. Please note: students must not take advantage of privileges before they are earned. The privilege package comes with a set of signatures from parents who acknowledge that their student is not being supervised. There is a correct assumption that freshmen are scheduled and supervised the entire school day. Parents must come in the office and personally pick up freshmen if they must leave at lunch.

NOON PRIVILEGES
A sophomore, junior, or senior will be allowed to leave campus during noon break IF:
- He/she has earned SIX credits,
- Is currently passing SIX classes, and
- Displays appropriate conduct in school/community showing the necessary maturity for such privileges.

ON-CAMPUS PRIVILEGES
A junior will be allowed to have “on-campus” privileges in a designated area during study halls IF:
- He/she has earned TWELVE credits,
- Is currently passing SIX classes, and
- Displays appropriate conduct in school/community showing the necessary maturity for such privileges.

OPEN-CAMPUS PRIVILEGES
A senior will be allowed to leave the campus or remain in the commons during study halls IF:
- He/she has earned EIGHTEEN credits,
- Is currently passing SIX classes, and
- Displays appropriate conduct in school/community showing the necessary maturity for such privileges.
- Seniors will lose one quarter of open campus privileges for each section of the Dakota Step Test where they do not score at the proficient or advanced level.

Seniors are expected to attend homeroom and assemblies.

INTERVENTION
Maintaining any level of privilege is dependent upon passing all classes. Juniors and seniors who are failing a class or lose their privileges for any other reason may be assigned to study hall in A121.

Those students who are eligible for any privilege must abide by the rules set below:
1. Excessive absences or tardiness will result in revocation of privileges.
2. Any student who violates a school rule or is suspended from school will lose privileges.
3. Any student who has been apprehended by the authorities while out of the building will lose privileges.
4. Any student found violating the rules regarding the use of alcoholic beverages, tobacco, and/or drugs will lose privileges in addition to the other related consequences.
5. Any student who receives a mid-term deficiency notice or an "F" on his/her report card will lose privileges. Privileges reinstatement will occur only at the end of a quarter or at a mid-term break.
6. A student who was not eligible at the beginning of the year, but meets the grade and credit requirements at the end of a semester, will be allowed privileges after credit requirements are reviewed by an administrator.
7. Any student who receives an incomplete on his/her report card will lose privileges until the "I" becomes
a passing grade.
8. Students must properly check out to leave the commons for any reason.
9. Privileges are not time off from school. Academics must be the focus of all students during school time when they are not in class. Seniors must study during open campus. Juniors must study in the commons. Sophomores and freshmen must study in study hall. Card/parlor games or hacky sack are not permitted.
10. Vehicles:
   a. Students are allowed to drive their vehicles during privileges.
   b. Students must adhere to local traffic regulations.
   c. Students will not park in the staff reserved parking areas.
   d. Except for lunch, no underclassmen may ride with seniors during school time.
   e. Students outside the building with other students who do not have the privilege are subject to loss of their own privileges.
11. Actions related to school activities and events will be tied to privileges. Students are expected to continually prove to the community that they deserve the privileges.
12. Parents must sign a liability clause before privileges are granted. They need to be signed in person in the high school office.

The Privilege Package is Earned through performance!

ATTENDANCE

Students are expected to be in school each day school is in session. Attendance is an important factor in achieving a good education and in preparing for the workforce. High achievement is dependent on student participation in classes on a daily basis. There is a strong link between good attendance and a good education. However, we do understand that there are days when students must miss school. Students should make up all assignments as soon as possible to remain current in the class. In an attempt to improve attendance for a student who is struggling, the following steps will be taken:

- After a student’s fourth absence in a class the teacher or an administrator will contact the student’s parents to discuss the importance of attending class daily.
- After a student’s sixth absence an administrator will contact the student’s parents to discuss the poor attendance and possible solutions.
- After a student’s eighth absence in a class a meeting may be set up with the student, his/her parent(s), the teacher, and an administrator to discuss the student’s future in the class. Possible outcomes include:
  o The student will stay in the class with an attendance agreement.
  o The student will be removed from the class and placed in the Credit Recovery Center.
  o The student will be removed from the class and may apply to get into PRIDE.

The reason for the student’s absence and their progress in the class will be taken into consideration when determining the best place for the student to experience success in each class. Students on Individual Education Plans or 504 Accommodation Plans will address absences and tardies with the student’s team before truancy is referred to the State’s Attorney.

While we understand there may be circumstances that may prevent a student from being on time, we will not allow chronic tardiness. Students who are late to class by 20 minutes or more will be assessed one absence toward the policy. The following steps will be taken to address chronic tardiness.

- After a student’s fourth tardy an administrator will meet with the student to discuss the reason for being late to class and possible solutions.
- After a student’s sixth tardy an administrator will contact the student’s parents to discuss the importance of arriving to class on time and possible consequences.
- After a student’s eighth tardy the student and parent will meet with an administrator to determine consequences that will help the student get to class on time.
PROCEDURES
Notes to parents/guardians: Communication with the school regarding absences is essential. If your student is absent from school, you must communicate with the school as soon as possible to confirm your student's absence. Office secretaries are on duty from 7:00 a.m. until 4:30 p.m. each school day to receive your calls regarding absences. Call 353-7800 to leave information about your student. If it is impossible for you to call, a note written to the office will serve as means of communication. Absences must be verified by 2:00pm on the school day following the occurrence or they will be considered unexcused.
*If your student must to be absent from school, you are requested to notify the office in advance if at all possible. Students should communicate with their teachers and complete requested school work before the absence occurs.
**Absences for medical/dental appointments: Parents/guardians are encouraged to schedule appointments during non-class time whenever possible. Parents/guardians are asked to communicate with the office before the student checks out.

Sign-Out/Sign-In Procedures: Students are required to remain on campus from the time they arrive in the morning until they are dismissed in the afternoon (with the exception of those students who have earned privileges). Parental/guardian permission must be given to the office before a student may check out during the school day. A student must check out from the office before leaving. Any student who fails to follow these procedures will have their absence recorded as unexcused. Any student not returning after lunch must notify the office that same day or their absence will be recorded as unexcused.
- If a student fails to check-out of school in the office prior to leaving the building, all absences will be unexcused regardless of parent permission.
- If a student fails to check-in to the office when returning to school or arriving for the first time after 8:05am, all periods missed will be unexcused regardless of parent permission.

EXPLANATION OF ABSENCES and MAKE-UP WORK RESPONSIBILITIES
School Activities: A student representing the school at a school activity during the day is considered present.
Make-up work: The student must make up work in advance of the absence or have work missed ready to hand in the next class meeting at the discretion of the teacher. A student who misses school for two days or more, as for state tournaments or for other programs, will be afforded a reasonable amount of time to complete assignments.

In-School Suspension: A student is considered absent from class, and the absence counts against the incentive policy. This includes removal from a class for a single period.
Make-up work: The student will be provided assignments. To earn credit, he/she must hand in assignments upon return to class.

Out-of-School Suspension: A student is considered absent, and the absence will count against the absence policy.
Make-up work: A student will receive no credit for make-up work unless the student negotiates with the teacher and administrator in charge for the right to receive credit for work completed during the time of suspension and turned in prior to returning to class.

Tardiness: A student arriving late for class will need to be escorted to class by an administrator. Tardiness may result in the loss of privileges or removal from class.

Homebound Absences: A student physically or emotionally unable to attend school will be placed on a homebound or similar program to help earn credits in the areas where most practical. The homebound teacher will confer with a regular classroom teacher to determine the areas where credit may be earned. Following treatment, the student will be returned either to a regular school setting or to the alternative school—whichever is more appropriate for the individual student and his/her needs.
Standard of Conduct and Discipline

The goal of discipline is a self-disciplined individual with a mature attitude and socially acceptable standard of conduct.

Huron High School operates based on the knowledge that the vast majority of students are self-disciplined, make good decisions, and behave in a productive manner. Proper behavior is the responsibility of the student and his/her parents/guardian. The student has the responsibility to know and respect the rules and regulations of the school and to be considerate of the rights of others. Administrators, teachers, counselors, and other school personnel are authorized to enforce rules and regulations to promote the learning climate. High school students are expected to show respect for oneself, for each other, and for public and personal property. Students have the right to expect the orderly conduct of the school program. Behavior that would be detrimental to a stimulating learning climate must be discouraged. Students are under the jurisdiction of the school district while on the school grounds, under the supervision of school authorities, attending a school function, riding a regular bus route, or on any extra-curricular trip.

Conduct that Constitutes Grounds for Short- or Long-Term Suspension, Expulsion, or Reassignment:
School officials have the authority to discipline a student by exclusion, suspension, or expulsion. In addition, in the case of a clear and present danger to the student or to other students, emergency procedures will be followed. For this section, the terms shall have the following meanings:

- **Emergency Exclusion**: Immediate exclusion if the student has a dangerous communicable disease or presents a clear threat to self or others.

- **Short Term Suspension**: Up to and including ten school days.

- **Long Term Suspension**: More than ten school days, but less than 90 school days

- **Expulsion**: Removal of the student for a minimum of the balance of the current school term with the loss of all credits.

The following chart shows examples of appropriate consequences for violation of the standard of school behavior. It does not imply or require that a step-by-step progression of increasing severity be employed by the administration in dealing with a violation. However, there shall be a logical relationship between the severity of the offense and the administrative action.

### Police Visitation/Use by School

It is the philosophy and belief of the administration at Huron High School that the responsibility for dealing with student discipline rests with us. Thus, we will make every effort to handle such problems in-house according to the policies and procedures established by the district and the school. However, when violations of law or municipal ordinance occur, or when a student or parent/guardian refuses to work within the established policies of the district and school, or when security of persons or property appears to be in jeopardy, we will call the police and initiate arrest and prosecution proceedings. The school does work with the police department juvenile officers.
Student Services

Media Center
The media center provides students with fiction and nonfiction books, e-readers, magazines and reference materials including computer, CD-Rom, and on-line access. The students are given the privilege of studying in a quiet atmosphere. To continue to utilize their library privileges, students are expected to wear their IDs and follow the rules of the library including normal book checkout and return policies.

Counseling Center
Counselors are available to help students in numerous areas including confidential assistance with personal and academic problems, course scheduling, career planning, and future education. They are located in the A-100 hall.

Sportsmanship at Athletic Events
Huron High School has traditionally had tremendous enthusiasm for sports. This enthusiasm has played a vital role in the success of our teams.

These students are young athletes, not professionals. As members of opposing teams, they are not enemies. The visiting team is a guest of the home team. The officials are adults who, by agreement between the two competing schools, are assigned to administer the rules of the game. Their experience and integrity qualify them for this responsibility. An attitude of friendly sportsmanship should be reflected by all spectators no matter how strong their loyalty to their team. Students and adults should show respect for players, cheerleaders, coaches, officials, and all other spectators attending the event.

Please regulate your actions at all times so that you will be a credit to the team you support. The school gets praise or blame for your conduct, because you represent your school just as athletes do.

Eligibility/Participation in Co-curricular Activities
There are specific requirements governing student eligibility for participation in activities. Some regulations are set by the South Dakota High School Activities Association and some by Huron School District. For a complete listing of requirements, please contact the Athletic Director or the High School Office.

One specific regulation has been established by law. On first offense, any student adjudicated, convicted, the subject of an informal adjustment or court-approved diversion program, or the subject of a suspended imposition of sentence or suspended adjudication of delinquency for possession, use, or distribution of a controlled substance or marijuana (as defined by SDCL 22-42) or for ingesting, inhaling, or otherwise taking into the body any substance as prohibited by SDCL 22-42-15, is ineligible to participate in those activities sanctioned by the SDHSAA for a period of one calendar year from the date of adjudication, conviction, diversion, or suspended imposition of sentence. A student may reduce the suspension to 60 school days if the individual participates in an assessment with a certified chemical dependency counselor or completes an accredited intensive prevention or treatment program.

On second offense, the student will be permanently ineligible to participate in those activities sanctioned by the SDHSAA.
Participation by Home-schooled Students

Students who are home-schooled shall have the opportunity to participate in district co-curricular and interscholastic activities if they meet the requirements of state law, the South Dakota High School Activities Association, and district policy, including regulations specified in the student/parent handbooks.

The activities director, in conjunction with other administrators, will have the responsibility of formulating procedures regarding the participation of home-schooled students in activities. (Board Policy IGD)

Research has shown the most successful students are those who are involved in school-sponsored activities. There are numerous activities available for students at Huron High School. We encourage each student to find an area of interest and become involved.

SCHOOL SONG
We’re loyal to you, Huron High;
We’re orange and black, Huron High;
We’ll back you to stand
‘Gainst the best in the land,
For we know you are grand, Huron High.
(Rah! Rah!)
So go beat that team, Huron High;
We’re backing you all, Huron High;
Our team is our fame protector--TIGERS;
For we expect victory from you, Huron High.

School Letter Awards
The Huron Chenille monogram has become the official letter award of the school and is reserved for those to whom it has been officially granted. It is to be worn on the official orange and black letter jacket by one to whom the award was presented. Unless the monogram is worn according to the regulations under which it is awarded, it soon ceases to have value. It must be understood that the letter is earned and is not a gift for participation.

Earning an Activity Letter
The lettering policy adopted for Huron High School is intended to utilize consistency and fairness to all participants. We believe it is a privilege to take part in interscholastic activities and feel that this lettering procedure will allow individual consideration for all participants in activities.

Each extra-curricular and co-curricular activity has specific requirements for earning a letter. A packet containing “Tiger Beliefs,” training rules, and a complete listing of requirements for lettering in each individual activity is available from the activities director or at the high school office.
