Some students desire to compete athletically at the next level. Is that you? If so, there are a couple things you should know.

You can compete at a college/university that is either NCAA (DI, DII, DIII) or NAIA affiliated. Both have different requirements and guidelines.

- NCAA- you need to create an account with the NCAA Eligibility Center
  - NCAA Guide
- NAIA- you need to register with the NAIA Eligibility Center by creating a profile at PlayNAIA.org. NAIA requires students to send specific documentation to be eligible to compete.
