To the Huron School Board,

I am writing to inform you of my intent to resign from my position as an assistant varsity football coach effective at the end of this year.

I want to thank you for the opportunity I have had to coach in this wonderful community. Being able to be the best asset I could be to help empower student-athletes to reach their potential and pushing them to be their best has been an incredible experience.. I consider myself very lucky to have been a part of the Huron football program. Coach Strand, the other assistants, and the kids have been a phenomenal group to get to work with. This decision did not come easy but the decision to resign is a necessary decision I needed to make.

So, I do wholeheartedly thank you for this opportunity I had. I cherished these last 4 years of coaching. But, at this time I need to step away from coaching.

Thank you,

Michael Scott
