

Online Testing System Test Administrators Quick Guide 2018–2019

Section I. Test Administration Quick Guide

The Online Testing System has two components:

- Test Administrators (TAs) use the TA Interface to create and manage test sessions.
- Students use the Student Testing Site to take the tests.

TA Interface: Login and Test Setup

1. On the South Dakota Smarter Balanced Assessment Program portal (<http://sd.portal.airast.org>), select the **Test Administrators** card.
2. Click the **Interim & Summative Test Administration** card to access the TA Interface. The login page appears.
3. Enter your email address and password.
4. Click **Secure Login**. The TA Interface appears.
 - a. If the **Enter Code** page appears, an email containing an authentication code is sent to your address. Enter the emailed code and click **Submit**.

Note: You must use the authentication code within five minutes of the email being sent. If the code has expired, click **Resend Code** to request a new code.

10. When the time is up, stop the test session and log out.

TA Interface: Stop Session

- Click  to stop the session and automatically pause any in-progress tests in your session.
- Click **Log Out** to exit the TA Interface.

Once you stop a session, you cannot resume it. If you stop a session and students need to continue testing, start a new session.

For Students: About the Testing Process

Sign In

Students: Secure Browser Sign-In Page

- Open the secure browser. The **Student Sign-In** page appears.
- Enter your first name, SSID, and the session ID.
- Select **Sign In**.

Common Login Errors:

- The first name and SSID do not match.** This indicates that the first name entered does not match the first name associated with the SSID.
- The session ID is not available.** The session ID entered is not an available test session. Verify that you entered the session ID correctly.

Test Layout and Tools

This section provides an overview of the Online Testing System’s available tools and where they are located.

[Figure 1](#) shows the basic test layout and primary tools available in the Student Testing Site.

Figure 1. Test Layout

Global and Context Menus

The global and context menus allow students to access on-screen tools. Students can access these tools using a mouse or keyboard shortcuts.

About the Global Menu

The global menu at the top of the test page contains navigation buttons on the left and tool buttons on the right (see [Figure 2](#)).

Figure 2. Global Menu

To open a test tool in the global menu:

1. Select the button for the tool. The selected test tool activates.

About the Context Menus

Each test page may include several elements, such as the question, answer options, and stimulus. The context menu for each element contains tools applicable to that element (see [Figure 3](#) and [Figure 4](#)).

Figure 3. Context Menu for Questions

Figure 4. Context Menu for Answer Options

Opening a Context Menu for Stimuli and Questions

Students can access context menus by right-clicking elements or by selecting elements and then clicking the context menu button.

To access the context menu for a passage or question:

1. Click the context menu  button in the upper-right corner of the stimulus or question. The context menu opens.
2. Select a tool.

Opening a Context Menu for Answer Options

Students can use the context menu to access tools for answer options in a multiple-choice or multi-select question.

To access an answer option's context menu:

1. To open the context menu, do one of the following:
 - o If you are using a **two-button mouse**, right-click an answer option.
 - o If you are using a **single-button mouse**, click an answer option while pressing **Ctrl**.
 - o If you are using a **Chromebook**, click an answer option while pressing **Alt**.
 - o If you are using a **tablet**, tap the answer option and then tap the context menu button (this selects the answer option until you select a different option).
