Jolene,

I just wanted to let you know that I recently accepted a job teaching 6th grade at JVC. I will not be returning to teach Title next year. That being said I am still going to put together the qualification procedures and will be available to pass on any Title information from this year to the new teacher.

Thank you and have a great weekend!

Hello Ralyna,

I want to thank you for the opportunity here at McKinley. I have loved working with you all. It is with sadness that I resign from this position.

I've had a hard time with childcare/drop off for my kids at school on the days my husband is working. I was trying to make it work until school was out. But it's been hard to find childcare and rides. I decided to just step back at this moment.

I would love to come back next year in the fall. I was able to find an all-day preschool for my toddler and my daughter will be in full day kindergarten. So, it will be different circumstances.

I hope to get a sub position in the district to pick up hours and still have income. I hope to see you guys again.

Thanks again for everything!
