Huron School District
Huron, SD 57350

Dear Mr. Terry Rotert,

I would like to officially resign as the 8th grade Girls' Basketball coach. Case management has been added to my teaching responsibilities for next year, and I am anticipating that I will need more time to fulfill those duties. Coaching three sports for the last fifteen years has taken it's toll on me. I would also like to have more quality time with my family.

Sincerely yours,

Angie Thomas

Mr. Terry Nebelsick
Superintendent
Huron School District
150 5th Street SW
Huron, SD 57350

Dear Mr. Nebelsick:

Please accept this letter as notice of my resignation from my position as 8th grade ELA teacher. I will not be renewing my contract for the 2016-2017 school year.

I received an offer to teach 9th grade English at Sioux Falls Washington High School and after careful consideration, I realize that this offer will provide me an opportunity to grow as an educator and expand my knowledge in English/Language Arts.

It has been a privilege and an honor to work in the Huron School District for the last four years. HSD was the first district to recognize my talents and give me an opportunity to make a difference in the lives of the students that we educate. One of the highlights of my career was being able to work with HSD's unique and diverse population of students. It helped become a better educator and expand my world views. The staff, specifically at Huron Middle School, is driven and motivated under the leadership of Mr. Taplett and Ms. Willemssen, to provide and outstanding education consisting of "positive attitudes" and "high expectations". These are lessons that I will carry with me as I continue my career at Sioux Falls Washington High School.

Mr. Nebelsick, thank you again for the opportunity to work for Huron School District. I wish you and your staff all the best and I look forward to staying in touch with you. You can email me anytime at Justin.Heyd@k12.sd.us or call me at 605-858-1307.

Sincerely,

Board of Directors
Huron School District

We have audited the financial statements of the governmental activities, the business-type activities, each major fund, and the aggregate remaining fund information of Huron School District for the year ended June 30, 2015. Professional standards require that we provide you with information about our responsibilities under generally accepted auditing standards (and, if applicable, *Government Auditing Standards* and OMB Circular A-133), as well as certain information related to the planned scope and timing of our audit. We have communicated such information in our letter to you dated September 25, 2015. Professional standards also require that we communicate to you the following information related to our audit.

Significant Audit Findings

Qualitative Aspects of Accounting Practices

Management is responsible for the selection and use of appropriate accounting policies. The significant accounting policies used by Huron School District are described in Note 1 to the financial statements. No new accounting policies were adopted and the application of existing policies was not changed during fiscal year 2015. We noted no transactions entered into by Huron School District during the year for which there is a lack of authoritative guidance or consensus. All significant transactions have been recognized in the financial statements in the proper period.

Accounting estimates are an integral part of the financial statements prepared by management and are based on management's knowledge and experience about past and current events and assumptions about future events. Certain accounting estimates are particularly sensitive because of their significance to the financial statements and because of the possibility that future events affecting them may differ significantly from those expected. The most sensitive estimate affecting the financial statements was:

Management's estimate of the unavailable revenue is based on modified accrual basis of accounting. We evaluated the key factors and assumptions used to develop the unavailable revenue in determining that it is reasonable in relation to the financial statements taken as a whole.

The financial statement disclosures are neutral, consistent, and clear.

Difficulties Encountered in Performing the Audit

We encountered no significant difficulties in dealing with management in performing and completing our audit.

Corrected and Uncorrected Misstatements

Professional standards require us to accumulate all known and likely misstatements identified during the audit, other than those that are clearly trivial, and communicate them to the appropriate level of management. Management has corrected all such misstatements. In addition, none of the misstatements detected as a result of audit procedures and corrected by management were material, either individually or in the aggregate, to each opinion unit's financial statements taken as a whole.

Disagreements with Management

For purposes of this letter, a disagreement with management is a financial accounting, reporting, or auditing matter, whether or not resolved to our satisfaction, that could be significant to the financial statements or the auditor's report. We are pleased to report that no such disagreements arose during the course of our audit.

Management Representations

We have requested certain representations from management that are included in the management representation letter dated March 23, 2016.

Management Consultations with Other Independent Accountants

In some cases, management may decide to consult with other accountants about auditing and accounting matters, similar to obtaining a "second opinion" on certain situations. If a consultation involves application of an accounting principle to Huron School District No. 56-4's financial statements or a determination of the type of auditor's opinion that may be expressed on those statements, our professional standards require the consulting accountant to check with us to determine that the consultant has all the relevant facts. To our knowledge, there were no such consultations with other accountants.

Other Audit Findings or Issues

We generally discuss a variety of matters, including the application of accounting principles and auditing standards, with management each year prior to retention as Huron School District No. 56-4's auditors. However, these discussions occurred in the normal course of our professional relationship and our responses were not a condition to our retention.

Other Matters

We applied certain limited procedures to Management's Discussion and Analysis (MD&A) and the Budgetary Comparison Schedules, which are required supplementary information (RSI) that supplements the basic financial statements. Our procedures consisted of inquiries of management regarding the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We did not audit the RSI and do not express an opinion or provide any assurance on the RSI.

We were engaged to report on the Schedule of Expenditures of Federal Awards, which accompany the financial statements but are not RSI. With respect to this supplementary information, we made certain inquiries of management and evaluated the form, content, and methods of preparing the information to determine that the information complies with accounting principles generally accepted in the United States of America, the method of preparing it has not changed from the prior period, and the information is appropriate and complete in relation to our audit of the financial statements. We compared and reconciled the supplementary information to the underlying accounting records used to prepare the financial statements or to the financial statements themselves.

Restriction on Use

This information is intended solely for the use of Board of Directors and management of Huron School District and is not intended to be, and should not be, used by anyone other than these specified parties.

Very truly yours,

RE: Health Insurance Committee Recommendation

The District's Health Insurance Committee received the renewal information on March 30, 2016 regarding the District's health insurance with the Associated School Boards of South Dakota Protective Trust for 2016-2017. The District also currently purchases property, liability, and worker's compensation insurance from the ASBSD Protective Trust.

The committee's recommendation is to accept the renewal offer from the ASBSD Protective Trust. The renewal is a 10% increase on our current rates. There are no coverage changes this year.

Currently rates are \$640 per month for single coverage, \$1280 per month for 2-party coverage, and \$1,600 per month for family coverage. ASBSD Protective Trust rates for coverage beginning July 1 would be \$704 for single coverage, \$1408 for 2-party coverage, and \$1,760 for family coverage.

At the rate renewal meeting, a health insurance industry expert reported that medical costs are currently trending 7% per year and pharmacy costs are trending 12% per year.

March 23, 2016

Huron School District

South Dakota School District Benefits Fund, a sub-fund of Associated School Boards Protective Trust (ASBPT), saw major changes in Fiscal Year 2015-2016 with the transition to a new strategic partner in Wellmark Blue Cross & Blue Shield of South Dakota.

The Protective Trust Board of Directors and Health Advisory Committee (see roster on back) voted on March 17, 2016 to increase premiums in three bands: 7% / 10% / 13%.

To assign a school district to one of the three bands, our methodology utilized a district's year-to-date combined loss ratio. Combined loss ratio is the ratio of premium to medical and pharmacy claims and all other costs associated with operating the health fund (i.e. TPA fees, network access fees, stop loss premium, audit costs, actuarial fees, and etc.). Simply put, this renewal was based on utilization per expectations of the group.

Combined Loss Ratio offers a more concise indicator on how a district's plan is performing. Your quarterly performance reports are based on pure medical loss ratio, which is only a comparison of premium to medical and pharmacy claims, but is still a good quarterly benchmark report.

Each premium band was assigned approximately one-third of SDSDBF member districts. Districts were assigned to each band based on their loss ratio in relationship to the overall group. The lowest third of member schools received a 7% rate increase, the middle third a 10% rate increase, and the highest third of the group received a 13% rate increase.

Your district's overall rate increase for 2016-2017 is: **10.00%**

In our efforts for increased transparency in the fund, as of June 30, 2015, the health fund had an audited negative Unrestricted Net Position on the Statement of Net Position of \$13,576,263. When using the formula to allocate the Net Position outlined in the participation agreement your deficit share calculates to: **\$978,968.00**.

The fund will need to continue to set rates at a higher than average confidence level for the foreseeable future to ensure enough explicit margin is built into rates to allow for potential adverse claims development in a given year and to reduce the fund's deficit.

The fund is in a much better position than it has been historically to reduce the liability to school districts and we are optimistic about the fund's capability to provide the best service possible to our members.

Cordially yours,

Matt Flett

- 1.4. Claims Supervisor – Wellmark BCBS of SD, 1601 W Madison Street, Sioux Falls, SD 57104, Phone 1-800-831-4818.

1.7 Coverage Period -- The term of this Agreement is one year. The contribution is paid monthly. Coverage shall be on a monthly basis. **The District shall make their monthly contribution prior to the month of coverage to ensure coverage for each employee** in the following month unless otherwise agreed in writing by both parties as a written addendum to this Participation Agreement.

1.8 Benefit Fund -- The South Dakota School District Benefits Fund, as well as its Claims Supervisor or other designated entity.

1.9 Date of Termination -- A date not less than sixty (60) days from receipt of notice of termination by the Trust Administrator.

SECTION II OBLIGATION OF PARTICIPATING EMPLOYER

2.1. Each participating EMPLOYER shall be responsible for prompt and timely payment of the applicable contribution. The contribution shall be paid in advance of each month's coverage period. The amount of contribution required is as set forth in the Adoption and Renewal Motion, attached hereto, and incorporated herein by this reference, if duly executed by an authorized representative of the TRUST and approved by the MEMBER'S governing board. Contribution amounts are calculated on an annual basis or such shorter period as may be agreed upon. Contributions are paid monthly. Coverage shall be deemed continuing unless terminated as provided herein or where EMPLOYER fails to make timely monthly contributions.

2.2. In addition to executing and returning this Agreement and its attachments and promptly complying with the requirements of the ASB Trust Bylaws, the EMPLOYER shall provide the Trust Administrator with a completed enrollment form for each eligible employee when hired or added and provide monthly notice of and date that each eligible employee is terminated, deleted, or removed from the group along with the payment of the contribution.

2.3. The EMPLOYER will keep all medical information regarding a covered employee separate from the employee's personnel file and will comply with the provisions of the Americans with Disabilities Act and state law with respect to confidential medical information.

2.4. Each EMPLOYER shall provide notice of employee benefits under the Consolidated Omnibus Budget Reconciliation Act (COBRA) to each employee separating from service and shall provide to the Trust Administrator a copy of the employee's written election to continue or decline coverage under COBRA. The cost for continuing coverage under COBRA shall be one hundred two percent (102%) of the rate for the separating employee's coverage. Payment of contributions for continuing coverage under COBRA is the separated employee's responsibility. Failure of the separated employee to make timely payment shall terminate COBRA coverage. Payment made by the separated employee must be received by the Trust Administrator prior to the coverage period.

2.5. The EMPLOYER shall provide a copy of the then current and applicable SUMMARY PLAN DESCRIPTION to each covered employee and shall advise the employees that this Participation Agreement together with the ASB Trust Bylaws apply to the employee's coverage

and are available for inspection without charge during business hours at the EMPLOYER'S business office. The EMPLOYER shall advise all covered employees that the provisions of this Participation Agreement and the ASB Trust Bylaws are binding requirements of coverage, and that the SPD is only a description of benefits.

2.6. The participating EMPLOYER shall notify the Trust Administrator at least thirty (30) days prior to the termination date of this Participation Agreement of its intention to discontinue participation. In the absence of such timely notice, the EMPLOYER shall be obligated to pay to the TRUST an amount equal to one (1) month's contribution for each covered employee.

2.7. The EMPLOYER agrees to not knowingly allow any condition to exist in the workplace which is detrimental to the health and safety of the covered employees. The EMPLOYER agrees to allow the Benefit Fund, its Trust Administrator, Claims Supervisor, or the designee of any of them, to inspect the EMPLOYER'S premises in order to determine whether any condition detrimental to the health of the covered employees exists. The EMPLOYER acknowledges that neither the Trust Administrator nor the Claims Supervisor is obligated to make any inspection or recommendation with regard to health and safety conditions.

SECTION III OBLIGATIONS OF THE BENEFIT FUND

3.1. The Benefit Fund agrees to provide coverage for eligible claims by covered employees timely submitted as described in the applicable SPD for the plan in which such covered employee is enrolled at the time of a claim.

3.2. The Benefit Fund shall provide to the EMPLOYER an adequate number of claim forms for use by covered employees in submitting claims.

3.3. At least sixty (60) days prior to the end of this Participation Agreement, the Benefit Fund will advise the EMPLOYER of the projected cost for coverage by the Fund TRUST for the ensuing year. If the Benefit Fund determines not to provide coverage for the EMPLOYER for the ensuing school year, it shall so advise the EMPLOYER at least thirty (30) days prior to the termination date of this Participation Agreement.

SECTION IV TRUST OBLIGATIONS

The Trust shall manage and administer the TRUST. The management and administration of the Trust shall be performed by the Trust or its designee upon the direction and advice of the Trust Board and shall include the following authority and obligations, including but not limited to:

4.1. Evaluation and establishment of reserves for claims.

4.2. Investigation and adjusting of claims.

4.3. Making payment of compensable benefits as required under the Bylaws, this Participation Agreement, and the applicable Summary Plan Description.

- 4.4. Negotiating settlements with claimants as authorized or approved pursuant to policies of the Trust Board and securing appropriate releases upon settlement of claim.
- 4.5. Selecting and monitoring attorneys employed to defend claims or suits against the MEMBER or the TRUST.
- 4.6. Monitoring claims for subrogation and undertaking recovery efforts when economically feasible and advisable.
- 4.7. Maintaining reports identifying MEMBERS' claims by category, payments made, and reserves of claims. Such reports shall be available to MEMBERS and each Trustee as required by policies adopted by the Trust Board.
- 4.8. Providing such reports and documentation as required by any applicable Summary Plan Description.
- 4.9. Preparing and filing reports required by the state or federal government or agencies thereof.
- 4.10. Providing or contracting for loss control and developing and disseminating loss control programs to reduce losses to the MEMBERS.
- 4.11. Monitoring frequency and severity of claims' performance of MEMBERS.
- 4.12. Establishing rating structures to determine MEMBER contributions, providing billing to MEMBERS for contributions and notices regarding contribution changes and assessments.
- 4.13. Securing insurance coverage, excess insurance coverage, reinsurance, stop loss agreements, endorsements, and other indemnification agreements, both as to specific individual claims and aggregate claims as determined by the Trust Board, and determining the amount of retention for claims, if any, in each area of coverage by the TRUST.
- 4.14. Developing programs for TRUST expansion.
- 4.15. Determining proposed distributions to MEMBERS of excess reserves, if any, based upon the Fund's performance or such criteria as may be established subject to approval and adoption by the TRUST.
- 4.16. Providing billing, collection, and auditing of contributions to the TRUST by MEMBERS.
- 4.17. Retaining and authorizing outside legal and financial assistance.
- 4.18. Entering into an Administrative Services Agreement with a third party delegating the responsibilities and authorities of management of the Trust Obligations upon the approval and advice of the Trust Board.

SECTION V
TERM OF AGREEMENT

5.1. Notwithstanding any other coverage or benefit year identified in any coverage plan document, coverage under this Participation Agreement will commence on the day indicated in the adoption and renewal motion as prepared by the Fund, contingent upon receipt by the Benefit Fund of the timely payment of each monthly contribution from the EMPLOYER. In the event the due date of any contribution falls on a weekend or holiday, the contribution must be received by the following business day. Coverage under this Participation Agreement shall continue for another year term unless a MEMBER provides written notice of its intention not to renew coverage for a subsequent coverage year **no later than May 31** of any coverage year. Failure to notify the Trust Administrator as provided herein is a binding commitment on the part of the MEMBER to renew membership for another year at the contribution rate established by the Trust Administrator prior to the renewal date. In the event a MEMBER seeks to withdraw prior to the end of the coverage year, it shall provide a sixty (60) day written notice together with payment of two (2) months contribution. Coverage will terminate thirty (30) days from receipt of notice. Early termination of coverage shall constitute abandonment of the MEMBER'S right to any future distribution of excess reserves.

5.2. This Agreement can be terminated by mutual agreement in writing at any time. Failure of the participating EMPLOYER, or an employee under continuing COBRA coverage, to timely pay the contribution **voids the coverage**.

5.3. Termination of this Agreement shall not relieve the participating EMPLOYER of its obligation to pay contributions through the date of termination of the Agreement and assessments made against MEMBERS, for any fiscal deficit which occurred during the MEMBER'S participation, nor shall it relieve the participating EMPLOYER of any continuing obligation assumed through their adoption of the ASB Trust Bylaws. The participating MEMBER upon termination from the South Dakota School District Benefits Fund will be responsible for their termination contribution to the current financial position of the fund. The financial contribution responsibility will be calculated by dividing the total number of insured singles and families into the current surplus or deficit determined by audit review to calculate an individual MEMBER'S termination contribution or termination payout. The family count will have a weight of two when determining value.

5.4. The Benefit Fund shall provide coverage for all eligible claims received and paid by the Claims Supervisor prior to the date of the termination of coverage. No coverage is provided for claims incurred but not reported or paid prior to the termination of coverage unless an Endorsement so providing is attached hereto, executed in writing by the EMPLOYER and the Trust Administrator.

5.5. Costs for administrative services provided to MEMBER DISTRICTS will be in an amount not to exceed three percent (3%) of annualized contribution earned and to include agent fees and life insurance premiums if any.

In WITNESS WHEREOF, the Superintendent hereby acknowledges participation in the South Dakota School District Benefits Fund as indicated below.

Our diverse student population in Huron creates a unique environment within the classroom to teach. While we as teachers work hard to meet the language barriers and build background to create a solid educational foundation for our students, we find that our parent population lacks an understanding of what we are teaching on a day to day basis.

The purpose of this grant will be to allow us to host a Quarterly Math & Science Student and Parent Involvement Night. Students will showcase their learning for the Quarter by involving the parents in Math and Science hands on activities that they have mastered during that quarter.

The money will be used to help purchase supplies and manipulatives for these activities. Our hope is that by involving the parents in the actual content material with hands on activities conducted by their child in their native language, that we can begin to help bridge the gap in their own learning, and ultimately creating a more solid connection between the home and school.
